SECTION 1 - SCHOOL DISTRICT ORGANIZATION

Special Education Association of Peoria County

1:10 Association Legal Status

The Illinois Constitution requires the State to provide for an efficient system of high-quality public educational institutions and services in order to achieve the educational development of all persons to the limits of their capabilities.

The General Assembly has implemented this mandate through the creation of Associations. The Association is governed by the laws for Associations serving a resident population of not fewer than 1,000 and not more than 500,000.

The Board of Control constitutes a body corporate that possesses all the usual powers of a corporation for public purposes, and in that name may sue and be sued, purchase, hold and sell personal property and real estate, and enter into such obligations as are authorized by law.

The Association is organized pursuant to Sections 10-22.31 and 3-15.14 of the School Code (105 ILCS 5/10-22.31 and 3-15-14). The Governing Agreement provides the details of the Association's status.

The Special Education Association of Peoria County is organized and operates as an Association serving the educational needs as required by the School Code.

The Association enters into and participates in joint programs and intergovernmental agreements with units of local government and other Associations in order to jointly provide services and activities in a manner that will increase flexibility, scope of service opportunities, cost reductions, and/or otherwise benefit the Association and the community. The Director shall manage these activities to the extent the program or agreement requires the Association's participation, and shall provide periodic implementation or operational data and/or reports to the Board of Control concerning these programs and agreements.

1:30 Association Philosophy

The philosophy of SEAPCO is to serve students with diverse needs through an inclusive environment that is part of general education and that includes a full continuum of specialized services.

The following statements support this philosophy:

- An inclusive environment is one that is accepting, collaborative, supportive, and integrative, providing equal access to opportunities in general education that are based on an individual student's needs.
- Whenever possible, the student's education will be based in general education classes. Special education services that are non-categorical, team-based, and collaborative will support the student in that environment.
- Students will be provided the opportunity to become productive, participating members of the community through specialized instruction that is individualized, objective-based, and skill-oriented.
- Staff development is essential for progress, and is vital to the development of evolving professional roles.
- The needs of the whole student, from birth through transition into the community, will be addressed through increased networking and support systems.
- Parent/guardian and family involvement and the opportunity for their continual education are essential to individual student progress.
- Dissemination of information and provision of quality services are essential to meet the diverse needs of member school districts and their communities.

1:32 Association Decentralization of Services

POLICY:

SEAPCO will cooperate with district(s) that employ staff to provide special education related services.

PROCEDURE

Voting:

Districts that employ their own staff for a service and do not utilize SEAPCO services in that discipline will abstain from voting on issues related to that discipline. If there is a question regarding voting rights, the Board Chairperson will determine voting status after allowing an opportunity for district comment.

Funding:

State/Federal project applications written by and disbursed to SEAPCO for monies generated as a result of the number of special education students serviced will pool monies for the entire cooperative. SEAPCO supplies and equipment may be loaned to districts employing special education staff. It is understood that consumable items will be replaced.

Program Compliance for District Withdrawal:

Any district which intends to provide services within the district and not through SEAPCO shall do so in a manner that does not jeopardize the compliance of all member districts. Each member district shall comply with applicable state and federal laws, Illinois State Board regulations, SEAPCO Policies and procedures, and SEAPCO's ISBE-approved required procedures. In addition, districts which employ their own staff will provide a commitment to inservice to such staff, including district administrators.

Paperwork:

The SEAPCO Director will be available to provide consultation to districts employing special education staff so that the district is able to complete any and all forms that are required to generate reimbursement.

Timeline:

Between September 1 and November 1 of each school year, districts may notify the Director in writing of their intent to provide services within the district for the next school year rather than use the cooperatives services. Such services include, but are not limited to, the following: psychological, social work, speech and language, classroom teachers, and teacher assistants. If the written request is not received, the Director will plan for the same level and type of services as necessary to meet projected needs and state and federal regulations and requirements.

By February 1 of each year, any district that has provided notice outlined in the previous paragraph must deliver any and all signed agreements regarding transfer and employment to the Director.

By February 1 of each year, all districts must notify the Director of their request for services beyond the minimum required by state regulation including, but not limited to, the following: psychological, social work, speech and language, classroom teachers, and teacher assistants. If the written request is not received, the Director will plan for the same level and type of services as necessary to meet projected needs and state and federal regulations and requirements. This request is intended to be presented through the SEAPCO Hiring Survey which is updated annually by member district.

Annually, the Director will make recommendations to each district about the level of services that are

required to meet the district's needs for special education services. The recommendations will be based on past usage of services, projected changes in service delivery, projected numbers of students, and other applicable data.

All reductions in force will be discussed in accordance with applicable law and established rules and regulations.

If a district notifies the Director by February 1 of its decision to provide services within the district but later decides to use SEAPCO's services, that district's request(s) for services will be filled last after all other district requests are filled.

If a district wishes to change its service request(s) after February 1, the Director will bring the request to the SEAPCO Board of Control for discussion of the impact that the change would have on programs, services, and costs. The discussion will include issues of state and federal law, rules, and regulations. The Board of Control will make the final decision about how to accommodate the requested changes.

POLICY:

Member districts will share costs for attorneys' fees as they relate to SEAPCO's provision of services to students with disabilities.

PROCEDURE:

All costs for attorneys' fees incurred prior to the filing of a due process hearing are billed under SEAPCO's administrative budget. Each district shares the costs on the basis of the fall housing report.

If a due process hearing request is filed or court action is taken, the district against which the request is filed shares the cost equally with SEAPCO (50/50 split).

2:105 Ethics and Gift Ban

Prohibited Political Activity

The following precepts govern political activities being conducted by Association employees and Board of Control members:

1. No employee shall intentionally perform any *political activity* during any *compensated time*, as those terms are defined herein.
2. No Board member or employee shall intentionally use any Association property or resources in connection with any political activity.
3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member's or employee's duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

Limitations on Receiving Gifts

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with a Board member or employee shall intentionally solicit or accept any *gift* from any *prohibited source*, as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

1. Opportunities, benefits, and services that are available on the same conditions as for the general public.
2. Anything for which the Board member or employee, or his or her spouse or immediate family member, pays the fair market value.
3. Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fundraising event in support of a political organization or candidate.
4. Educational materials and missions.
5. Travel expenses for a meeting to discuss business.
6. A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.
7. Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. In determining whether a gift is provided on the basis of

personal friendship, the recipient shall consider the circumstances under which the gift was offered, such as: (a) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals; (b) whether to the actual knowledge of the recipient the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and (c) whether to the actual knowledge of the recipient the individual who gave the gift also at the same time gave the same or similar gifts to other Board members or employees, or their spouses or immediate family members.

8. Food or refreshments not exceeding \$75 per person in value on a single calendar day; provided that the food or refreshments are: (a) consumed on the premises from which they were purchased or prepared; or (b) catered. *Catered* means food or refreshments that are purchased ready to consume, which are delivered by any means.
9. Food, refreshments, lodging, transportation, and other benefits resulting from outside business or employment activities (or outside activities that are not connected to the official duties of a Board member or employee), if the benefits have not been offered or enhanced because of the official position or employment of the Board member or employee, and are customarily provided to others in similar circumstances.
10. Intra-governmental and inter-governmental gifts. *Intra-governmental gift* means any gift given to a Board member or employee from another Board member or employee, and *inter-governmental gift* means any gift given to a Board member or employee from an officer or employee of another governmental entity.
11. Bequests, inheritances, and other transfers at death.
12. Any item or items from any one prohibited source during any calendar year having a cumulative total value of less than \$100.

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under 26 U.S.C. §501(c)(3).

Enforcement

The Board Chairperson and Director shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Director or Board Chairperson. If attempts to correct any misunderstanding or problem do not resolve the matter, the Director or Board Chairperson shall, after consulting with the Board Attorney, either place the alleged violation on a Board meeting agenda for the Board's disposition or refer the complainant to Board policy 2:260, *Uniform Grievance Procedure*. A Board member who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. If the Board finds it more likely than not that the allegations in a complaint are true, it shall notify the State's Attorney and/or consider disciplinary action for the employee.

Definitions

Unless otherwise stated, all terms used in this policy have the definitions given in the State Officials and Employees Ethics Act, 5 ILCS 430/1-5.

6. Is an agent of, a spouse of, or an immediate family member living with a prohibited source.

Gift means any gratuity, discount, entertainment, hospitality, loan, forbearance, or other tangible or

intangible item having monetary value including but not limited to, cash, food and drink, and honoraria for speaking engagements related to or attributable to government employment or the official position of a Board member or employee.

Complaints of Sexual Harassment Made Against Board Members by Elected Officials

Pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/70-5), members of the Board and other elected officials are encouraged to promptly report claims of sexual harassment by a Board member. Every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available. If the official feels comfortable doing so, he or she should directly inform the individual that the individual's conduct or communication is offensive and must stop.

Board members and elected officials should report claims of sexual harassment against a member of the Board to the Board President or Director. If the report is made to the Director, the Director shall promptly notify the President, or if the President is the subject of the complaint, the Vice President. Reports of sexual harassment will be confidential to the greatest extent practicable.

When a complaint of sexual harassment is made against a member of the Board by another Board member or other elected official, the Director shall appoint a qualified outside investigator who is not a Association employee or Board member to conduct an independent review of the allegations. The investigator shall prepare a written report and submit it to the Board.

If a Board member has engaged in sexual harassment, the matter will be addressed in accordance with the authority of the Board.

The Director will post this policy on the Association website and/or make this policy available in the Association's administrative office.

2:140 Communications To and From the Board

The Board of Control welcomes communications from staff members, parents/guardians, students, and community members. Individuals may submit questions or communications for the Board's consideration to the Director or may use the electronic link to the Board's email address(es) posted on the Association's website.

The Director or designee shall:

1. Ensure that the home page for the Association's website contains an active electronic link to the email address(es) for the Board of Control, and
2. During the Board's regular meetings, report for the Board's consideration all questions or communications submitted through the active electronic link along with the status of the Association's response in the Board meeting packet.

If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members' questions or communications to staff or about programs will be channeled through the Director's office. Board members will not take individual action that might compromise the Board or Association. There is no expectation of privacy for any communication sent to the Board or its members, whether sent by letter, email, or other means.

Board Member Use of Electronic Communications

For purposes of this section, *electronic communications* includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Electronic communications among a majority or more of a Board-quorum shall not be used for the purpose of discussing Association business. Electronic communications among Board members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Board meeting agendas or information concerning agenda items
- Individual emails to community members, subject to the other limitations in this policy

In accordance with the Open Meetings Act and the Oath of Office taken by Board members, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of Association business through electronic communications with a majority of a Board-quorum.

2:140-E Exhibit - Guidance for Board Member Communications, Including Email Use

The Open Meetings Act (OMA) requires the Board of Control to discuss Association business only at a properly noticed Board meeting. 5 ILCS 120/.. Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss Association business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Communications Between or Among Board Members and/or the Director Outside of a Properly Noticed Board Meeting

1. The Director or designee is permitted to email information to Board members. For example, the Director may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Director should copy all other Board members and include a *do not reply/forward* alert to the group, such as: "**BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender.**"
2. Board members are permitted to discuss any matter except Association business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss Association business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss Association business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing Association business in a series of visits with, or telephone calls or emails to, Board members individually.
5. A Board member should include a *do not reply/forward* alert when emailing a message concerning Association business to more than one other Board member. The following is an example of such an alert: "**BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.**"
6. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a *public record* as defined by FOIA, unless a specific exemption applies. A public record is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body." 5 ILCS 140/2. Email sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a *public record* (unless a FOIA exemption is applicable).

If a Board member uses a Association-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

First, the communication pertains to the transaction of public business, and

Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill.App.4th, 2013).

The following *examples* describe FOIA's treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work **would not be a public record**. Individual Board members, alone, cannot conduct Association business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
 - b. Sent and/or received by an individual Board member on a Association-issued device or Association-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the Association.
 - c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a Association-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the Association.
 - d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the Association's possession.
 - e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the Association's possession because Board members were functioning collectively as a public body.

The Association's Freedom of Information Officer and/or Board Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Email that qualifies under FOIA as a *public record* will need to be stored pursuant to the Local Records Act(LRA), only if it is evidence of the Association's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate Association office where it will be stored. If made available, Board members should use their email accounts provided by the Association, and the Association will automatically store the official record messages. The Association will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a Association-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any email concerning a topic that is being litigated without obtaining the

Board attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

2:150 Committees

The Board of Control may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board Chairperson makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board - it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Board Policy Committee. This committee researches policy issues, and provides information and recommendations to the Board.
2. Finance Committee.
3. Evaluation Committee, consisting of the Chairperson and Vice Chair.
4. Collective Bargaining Committee.

Nothing in this policy limits the authority of the Director or designee to create and use committees that report to him or her or to other staff members.

Special Education Association of Peoria County

2:160-E Exhibit - Checklist for Selecting a Board Attorney

The Board of Control selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms, but it can be adapted for an application process, if the Board seeks an in-house attorney. For more information, call the IASB Office of General Counsel; see its current phone numbers at www.iasb.com/whatis/staff.cfm.

Determine what type of legal services the Association needs.

1. Review Board policy 2:160, *Board Attorney*. **Note:** Critically analyze whether the Association's legal needs are best served by in-house attorney(s) or outside attorney(s)/law firms. Many Associations use a combination of these services. Many Associations also use multiple attorney(s)/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorney(s)/law firms, but it can be adapted for an application process, which would better fit if the Board seeks an in-house attorney.
2. Consider the following factors to analyze the type(s) of legal services needed for the Association including, but are not limited to:
 - Association's size;
 - Any past and current experiences with legal matters;
 - Complexity of the Association's legal needs;
 - Availability of expertise; and
 - Cost of outside fees compared to internal staff expenses for an in-house arrangement.

Develop a list of qualifications necessary for providing quality legal services to the Association.

1. Review policy 4:60, Purchases and Contracts. **Note:** While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align contracts for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the Association's budget, etc.
2. Develop the list of qualifications. The major qualifications include, but are not limited to:
 - Licensed to practice law in Illinois and in good standing with the Illinois Attorney Registration and Disciplinary Commission (ARDC) (see checklist item *Conduct a reference check and other background investigations*, below)
 - Member of the Association's assigned United States Association court and the Seventh Circuit Court of Appeals
 - Substantive knowledge and experience in the legal areas matching Association's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom of Information Act, Open Meetings Act, other records laws, special education, student rights, etc. **Note:** This list of knowledge and experience must be created by the Association's identified needs and may change from time to time.
 - Experience in all aspects of contract, employment, and school law
 - Experience that meets the Association's needs, including litigation experience in State and federal courts
 - Membership in professional associations, such as, the Illinois Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
 - Demonstrated knowledge of and ability to apply professional responsibility rules

- Accessibility for the Association's identified needs, e.g., evening Board meetings, phone calls, etc.
- Ability to declare that representation of the Association will be to the exclusion of all other clients having potential conflicts with the Association's interests
- When additional qualifications apply, list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

Develop the RFP.

1. Insert the list of qualifications that the Board developed.
2. Include the following information:
 - The deadline for responses to be submitted
 - The location (address or email) where responses should be sent
 - A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the Association
 - Significant information about the Association. See Board policy 1:30, *Association Philosophy*, for the Association's mission statement that is specific to the community's goals.
 - The scope of work, e.g., "The Board Attorney will provide legal advice concerning *[typical duties, specific duties, excluded duties]*."
 - Qualifications
 - Details about interviews and presentations
3. Specify what responders must include in their responses, such as the following:
 - Cover letter, complete name, address, and legal structure (if the responder is a law firm)
 - The individuals who prepared the response, including their titles
 - If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
 - A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."
 - A summary of the responder's relevant experience representing public schools
 - A writing sample
 - An assurance that the responder meets the RFP's qualifications
 - References including current or past clients

Announce the RFP.

1. Title the announcement. **Note:** How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the Association's website, mail it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the Council of School Attorneys (ICSA) is on the IASB website, www.iasb.com. A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Illinois State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The *[Insert Association's name]* Board of Control Requests Proposals to Provide Legal Services."
2. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
3. Inform the reader that the attorney or law firm selected will serve from the date of appointment to

[date]. The length of the appointment is at the Board's discretion.

4. State the Association's philosophy or mission statement.
5. Insert the RFP location and contact information with the beginning date and time.
6. Tell prospective responders that completed RFPs must be returned [by certain time and date] to [name and title of person receiving applications].

Receive and manage responses to the RFP.

1. Review policy 2:110, *Qualifications, Term, and Duties of Board Officers*. The Board Chairperson is a logical officer to accept the applications, but this task may be delegated to the Secretary or Director's secretary if the Board determines that it is more convenient. Who accepts applications is at the Board's sole discretion and should be decided by the Board prior to posting the RFP announcement
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

Develop interview questions.

1. Interview questions are at the Board's discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.
3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
 - What do you see as your role as Board Attorney?
 - How many other Associations do you currently represent?
 - What kind of legal services do you provide to your school clients? Please explain how your other experience is relevant to this position.
 - How many years of experience does your firm (or, the attorney) have? How long have you been practicing law? How long have you been representing Associations?
 - What methods will you use to ensure all members of the Board, which is your client, remain informed? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board feels strongly about its position but you believe that position is not legally supportable? The *III. Rules of Professional Conduct*, at www.illinoiscourts.gov/supremecourt/rules/art_viii/default_new.asp, require attorneys to represent the Board in its capacity as the governing body for the Association. The responders should be discussing these rules, specifically Rule 1.7 (Conflict of Interest: Current Clients) and Rule 1.13 (Organization as Client), among others, in their answers to this question. See also, **PRESS** policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board's interest may be or become adverse to one or more of its members? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board and Director are in conflict? How about a divided Board? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - If the Board did something that you had advised against, could you still defend the Board's action? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.

- Will you try to shape Board decisions or do you have a *whatever the Board decides philosophy*? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
- Do you give clients specific recommendations or do you advise them of the available options and let the client decide? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
- Do you provide your Board of Control clients with any updating services gratis?
- How do you keep your Board clients apprised of litigation and other legal matters you are handling for them?
- Will you be handling this business personally (i.e., will you delegate to your associates or partners)?
- Can anyone else in your firm handle our inquiries when you are unavailable?
- How do you keep current on school law?
- When do you tell your school clients to contact you regarding a matter with possible legal repercussions?
- Have you represented a Association in a matter involving the rights of disabled students? â€¦ involving disabled employees? ... involving a student expulsion? â€¦ involving a teacher dismissal? â€¦ involving an employee's contract or dismissal? â€¦ involving a building contract or bidding matter? â€¦ Can you tell us about that case?
- How do you bill? How are you to be paid? Please explain your rates and/or fees. The subject of billing should cover whether the attorney or law firm prepares a budget for representation and its method for billing in detail, including the date and time, what work was performed, and who worked on the project, along with expenses.
- Did you bring a written agreement for legal services or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services.

Develop an interview protocol. Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board Chairperson will lead the Board as it interviews responders to its RFP (see 105 ILCS 5/10-13 stating that the Board Chairperson presides at all meetings and Board policy 2:110, Qualifications, Term, and Duties of Board Officers.
2. The Board may also want to consider allowing an equal amount of time for each interview.
3. Discuss the following items with each responder during the interview:
 - Introduce Board members to the responder.
 - Describe the Board's interview process, selection process, and ask the responder if he or she has questions about the Board's process for selecting its attorney.
 - Describe the Association's philosophy or mission statement.
 - Describe the Board Attorney position by reviewing the RFP.
 - Begin asking the interview questions. (See *Develop interview questions*, above).
 - Ask the responder whether he or she has any questions for the Board.
 - Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board's decision.

Conduct a reference check and other background investigation(s).

1. The Board Chairperson may perform this check or direct the Director to:
 - Check the ARDC's master roll of attorneys as "Authorized to Practice Law." To do this, enter the

attorney's name into the ARDC's registration and public disciplinary records database at: www.iardc.org/lawyersearch.asp.

- Click on the attorney's name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen.
 - If disciplinary actions are listed, ask the attorney or law firm for more information.
2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.
 3. Call references provided by the responder.

Enter into a written contract with the selected attorney or law firm.

1. All *agreements for legal services* should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. *Agreements for legal services* and individual billing statements from the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAC-14-002).
2. Discuss the fee arrangements with the responder and decide:
 - Whether to enter into a fee arrangement or a retainer agreement. Note: Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour increments. Many Associations enter into a retainer agreement for legal services that requires them to pay the attorney a pre-determined fee every month. In return, the attorney provides a pre-determined amount of legal services whenever the Association needs him or her. Associations find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.
 - The appropriate scope of services.
3. Review the written contract (*Agreement for Legal Services*) for these provisions:
 - Fee arrangement.
 - Scope of services.
 - Who will be providing legal services?
 - A statement that the Board controls all legal decisions.
 - A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it.
 - Board's right to terminate the services of the attorney and law firm at any time for any reason.
4. Approve the *Agreement for Legal Services* during an open Board meeting.

Announce the appointment to Association staff and community.

1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.
2. The Board may want to consider announcing during an open meeting. See Board policy 8:10, *Connection with the Community*.
3. The Board may want to include the following information in its announcement:
 - The Board appointed [attorney's name or law firm name] as the Board Attorney.
 - The appointment will begin on [date] for [length of time].
 - The Board previously established qualifications for the Board Attorney in a careful and thoughtful

manner. [*Attorney or lawfirm's name*] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [*Attorney or lawfirm's name*] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge.

Agenda

The Board of Control Chairperson is responsible for focusing the Board meeting agendas on appropriate content. The Director shall prepare agendas in consultation with the Board Chairperson. The Chairperson shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Board members to the Director or the Chairperson shall be placed on the agenda for an upcoming meeting. Association residents may suggest inclusions for the agenda. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Director shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of Board of Control Meetings*.

The Board Chairperson shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Association Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the Chairperson or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Each Board of Control member shall be entitled to voting privileges. Each district representative shall be entitled to the number of votes calculated as the number of enrolled special education students receiving services in special education classrooms as reported on the Association's October billing. The Regional Superintendent shall be entitled to the number of votes equal to the Association having the least enrollment of special education students. The calculated votes will be revised annually at the Board of Control meeting held in November.

Unless otherwise provided by law, when a vote is taken upon any measure before the Association Board with a quorum being present, a majority of the weighted votes cast shall determine its outcome. When votes are entered in the records of the Association Board, "present" or "abstain" votes shall be recorded as such. A vote of "present" or "abstain" is counted with the majority vote. On a tie vote, the motion is lost.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which

shall be signed by the Chairperson and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the Association's main office, in the presence of the Secretary, the Director or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the Association's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Director or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the Association's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the Association website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Director, or the Board Secretary when the Director is absent, shall audio record all closed meetings. If neither is present, the Board Chairperson or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Director shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Director or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the Association's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Director or Board Chairperson. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the Association's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to Association, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or Association business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Director at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Director will inform the Board Chairperson and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board Chairperson or, if the office is vacant or the Chairperson is absent or unable to perform the office's duties, the Vice Chairperson determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the Chairperson nor Vice Chairperson is present or able to perform this determination, the Director shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board Chairperson, as the presiding officer, will use Robert's Rules of Order, Newly Revised (11th Edition), as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to

electrical power, should be directed to the Director at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board Chairperson may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Meeting Minutes Protocol

1. Meeting minutes are the permanent record of the proceedings during a Board of Control meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of members making specific points during discussion. Requests from individual Board members to include their vote or an opinion are handled according to Board policy 2:220, *Board of Control Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Director or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective but positive/constructive tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals' names who speak during the meeting's public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes.

Open Meetings Act

The Open Meetings Act (OMA) requires public bodies to "keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording." 5 ILCS 120/2.06(a). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of Section 2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of Section 2.06, as well as OMA requirements pertaining to Board agendas, are included in policy 2:220, *Board of Control Meeting Procedure*.

Exhibit 2:220-E3, *Closed Meeting Minutes*, provides a sample template for keeping closed meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to Section 2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, *Open Meeting Minutes*, contains an open meeting minute's protocol that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, *Semi-Annual Review of Closed Meeting Minutes*, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, *Log of Closed Meeting Minutes*, is designed to facilitate this semi-annual review.

Local Records Act

The Local Records Act (LRA) provides that public records, including "any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connections with the transaction of public business and preserved or appropriate for preservation by such agency or officer" must be preserved unless the State Local Records Commission has given permission to destroy those records. 50 ILCS 205/3 and 7. Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Policy 2:250, *Access to Association Public Records*, contains a subhead entitled **Preserving Public Records** which provides as follows:

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the Association's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), Association

auditor, or other individual authorized by the Board of Control or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:200, *Board of Control Meeting Procedure*, for all relevant footnotes. Also see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*, for recommendations regarding Association records retention protocols and links to web-based record management resources.

2:220-E9 Exhibit - Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration

Use this exhibit to document the Board's and/or its committee(s)'s (5 ILCS 120/1.02) processes to comply with the requirements of the Open Meetings Act (OMA) when a board and/or its committee(s) must meet during a disaster declaration related to a public health emergency/concern and the meeting will have no physical presence of a quorum and participation by audio or video.

Note: If a Board committee uses this exhibit, replace Chairperson, Vice Chairperson, and Director with the appropriate committee leaders.

Consult the Board Attorney for guidance.

Documentation of OMA Requirements for Board Members to Participate in a Meeting with No Physical Presence of Quorum

The Governor or the Director of the Ill. Dept. of Public Health has issued a disaster declaration related to a public health emergency because of a disaster as defined in 20 ILCS 3305/4, and all or part of the jurisdiction of the Board is covered by the disaster area. 5 ILCS 120/7(e)(1), amended by P.A. 101-640. **Note:** OMA uses “public health concerns,” but the Ill. Emergency Management Act (IEMA) uses “public health emergency;” this exhibit matches the IEMA term because it governs disaster declarations.

Insert Disaster Declaration or Executive Order number [_____] or attach to this document.

The Chairperson or, if the office is vacant or the Chairperson is absent or unable to perform the office's duties, the Vice Chairperson, or if neither the Chairperson nor Vice Chairperson are present or able to perform this determination, the Director (5 ILCS 120/7(e)(2), amended by P.A. 101-640, and 140/2(e)) signs below that the following three **Steps** were executed by:

Step 1. Determining whether the meeting is a bona fide emergency (5 ILCS 120/7(e)(7), amended by P.A. 101-640) (*check Yes or No, below*):

Yes; it is an emergency meeting, and I:

- A. Notified the Board members and the public, including any news medium which has filed an annual request for notice of meetings as soon as practicable, but in any event prior to the holding of such meeting pursuant to 5 ILCS 120/2.02(a) and 120/7(e)(7)(A), amended by P.A. 101-640;
- B. Stated the nature of the emergency at the beginning of the meeting; and
- C. Provided the Director or Board Secretary the resources necessary during the meeting to keep a verbatim record of the meeting, **for both open and closed**, and managed it the same way that the Board complies with the verbatim recording requirements for closed meetings (see exhibit 2:220-E1, *Board Treatment of Closed Meeting Verbatim Recordings and Minutes*). **Note:** In this situation, a verbatim recording is not limited to closed meetings only.
- D. Move to Step 2, below.

No; it is a regular or special meeting, and I:

- A. Ensured that the Board provided 48 hours' notice of the meeting to all Board members, to any news medium on file in the District that have requested notice of meetings pursuant to 5 ILCS 120/2.02(a), and to members of the public by posting it on the District's website. 5 ILCS 120/7(e)(7), amended by P.A. 101-640. **Note:** 5 ILCS 120/7(e), amended by P.A. 101-640 does not have the “if any” exception for school boards that do not have websites. Consult the board attorney regarding alternate ways to communicate notice of a meeting when the district

does not have a website and a Disaster Declaration or Executive Order has been issued.

Insert meeting date and time, and a link to the meeting notice or attach a copy of the notice to this document.

B. Moves to Step 2, below.

Step 2. Determining whether it is practical, prudent, or feasible for any in-person attendance at the regular meeting location (5 ILCS 120/7(e)(2), amended by P.A. 101-640). (*check Yes or No, below*):

Yes; in-person attendance is practical, prudent, or feasible, and I:

- A. Ensured that at least one Board member, the Board Attorney, or the Director was physically present at the regular meeting location (5 ILCS 120/7(e)(5), amended by P.A. 101-640), and
- B. Verified that members of the public who were present could hear all discussion and testimony and all votes of the members of the Board. 5 ILCS 120/7(e)(4), amended by P.A. 101-640.
- C. Move to Step 3, below.

No; in-person attendance is not practical, prudent, or feasible, and I:

- A. Made a written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting. 5 ILCS 120/7(e)(1) and (2), amended by P.A. 101-640.
- B. Included the written determination made in letter A., above, on the Board's published notice and agenda for the alternative arrangements for the meeting. 5 ILCS 120/7(e)(7)(A)-(B), amended by P.A. 101-640.
- C. Offered the alternative arrangements to the public by offering a telephone number or a web-based link. 5 ILCS 120/7(e)(4), amended by P.A. 101-640.

Insert a link to the meeting notice or attach a copy of the notice or refer to above if already attached to this document (see above).

Include this written determination on the Board/committee's published notice and agenda for the audio or video meeting, and in the meeting minutes.

D. Move to Step 3, below.

Step 3. During the meeting, I:

Directed the Recording Secretary to, in addition to the requirements for open meetings under OMA, also keep verbatim record of the open meeting by recording it and making it open and available to the public under all provisions of OMA. 5 ILCS 120/7(e)(9), amended by P.A. 101-640. *Sample text follows below in the subhead below* **Report to the Public Following the Board's Meeting with No Physical Presence of Quorum.**

Read my written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting and directed the Recording Secretary to include it in the meeting minutes.

Ensured that any interested member of the public has access to contemporaneously hear all discussion, testimony, and roll call votes. 5 ILCS 120/7(e)(4), amended by P.A. 101-640.

Requested the Recording Secretary to enter into the appropriate minutes of the Board that each Board member participating in the meeting, wherever their physical locations, announced:

1. Themselves present (5 ILCS 120/7(e)(3), amended by P.A. 101-640), and
2. A verification that they could hear one another and all discussion and testimony. Id.

See 2:220-E3, *Closed Meeting Minutes* and/or 2:220-E4, *Open Meeting Minutes*.

Attach to this document copies or information about where these minutes may be found.

Announced and considered each Board member participating in the meeting present at the meeting for purposes of determining a quorum and participating in all proceedings (5 ILCS 120/7(e) (8), amended by P.A. 101-640) and directed the Recording Secretary to reflect it in the minutes (best practice for transparency).

Conducted all votes by roll call, so each Board member’s vote on each issue could be identified and recorded (5 ILCS 120/7(e)(6), amended by P.A. 101-640), and ensured that the Recording Secretary entered all votes as **Roll Call Votes** (*Use exhibit 2:220-E4, Open Meeting Minutes but ensure all votes are recorded as roll call votes pursuant to the example below:*):

The Board of Control met on *[insert date]* with no physical presence of quorum to conduct its business.

The verbatim *[circle one]* audio | video recording of this meeting is available to the public under all provisions of OMA and will be destroyed pursuant to 5 ILCS 120/2.06(c)(no less than 18 months after the completion of the meeting recorded but only after: (1) the Board approves the destruction of the particular recording; and (2) the Board approves minutes of the meeting that meet the written minutes requirements of OMA). 5 ILCS 120/7(e)(9), amended by P.A. 101-640.

Insert links to the verbatim recording of meeting here or attach to this document.

Note: Consult the board attorney for guidance on the destruction of a verbatim recording of an open meeting without the physical presence of a quorum. While 5 ILCS 120/2.06(c) refers to the process for destroying closed session verbatim recordings, 5 ILCS 120/7(e)(9), amended by P.A. 101-640, applies that process for destroying closed session verbatim recordings to the destruction of the verbatim open session recordings that are required when a board determines it is necessary for it to meet without the physical presence of a quorum due to a public health emergency.

2:230 Public Participation at Board of Control Meetings and Petitions to the Board

For an overall minimum of 30 minutes during each regular and special open meeting, any person may comment to or ask questions of the Board of Control (*public participation*), subject to the reasonable constraints established and recorded in this policy's guidelines below. During public participation, there will be a 15-minute minimum total length of time for any one subject. When public participation takes less time than these minimums, it shall end.

To preserve sufficient time for the Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board Chairperson.
2. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to five minutes. In unusual circumstances, and when an individual has made a request to speak for a longer period of time, the person may be allowed to speak for more than five minutes.
3. Observe, when necessary and appropriate, the:
 - a. Shortening of the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak;
 - b. Expansion of the overall minimum of 30 minutes for public participation and/or the 15-minute minimum total length of time for any one subject; and/or
 - c. Determination of procedural matters regarding public participation not otherwise covered in Board policy.
4. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, *Visitors to and Conduct on School Property*.

Petitions or written correspondence to the Board shall be presented to the Board in the next regular Board packet.

2:240 Board Policy Development

The Board of Control governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate Association ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward Association ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Director. Suggestions from all others should be made to the Board Chairperson or the Director.

A Board Policy Committee will consider all policy suggestions and provide information and recommendations to the Board.

The Director is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Director shall seek the counsel of the Board Attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board policies are available for public inspection on the Association's website. Copy requests should be made pursuant to Board policy 2:250, *Access to Association Public Records*.

Board Policy Review and Monitoring

The Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

Director Implementation

The Board will support any reasonable interpretation of Board policy made by the Director. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board policy, the Director is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

Special Education Association of Peoria County

2:250 Access to Association Public Records

Full access to the Association's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Director or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the Association's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the Association's response.

Freedom of Information Officer

The Director shall serve as the Association's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Director may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Director of the responsibility for the action that was delegated.

Definition

The Association's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the Association.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the Association's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Director or designee shall instruct Association employees to immediately forward any request for inspection and copying of a public record to the Association's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the Association's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the Association's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the Association's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the Association's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the Association's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the Association's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the Association shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the Association's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), Association auditor, or other individual authorized by the Board of Control or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the Association will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the Association's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any Association Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parents/guardians that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law or this policy, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Director. The Complaint Manager may request an extension of time.

The Director will keep the Board informed of all complaints.

If a complaint contains allegations involving the Director or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Director shall mail his or her written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Director's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the

Board.

Within 30 school business days, the Board shall affirm, reverse, or amend the Director's decision or direct the Director to gather additional information. Within five school business days after the Board's decision, the Director shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Director or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall mail its written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Director or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator and Complaint Managers

The Director shall appoint a Nondiscrimination Coordinator to manage the Association's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the Association's Title IX Coordinator.

The Director shall appoint at least one Complaint Manager to administer this policy. If possible, the Director will appoint two Complaint Managers, one of each gender. The Association's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Director shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

2:265 Title IX Sexual Harassment Grievance Procedure

Sexual harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important association goal. The association does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in the association's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a association employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A association employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the association's educational program or activity; or
3. *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(10), *domestic violence* as defined in 34 U.S.C. §12291(a)(8), or *stalking* as defined in 34 U.S.C. §12291(a)(30).

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

Definitions from 34 C.F.R. §106.30

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where the association has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the association investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

Title IX Sexual Harassment Prevention and Response

The director or designee will ensure that the association prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the association's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the association's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff pursuant to policy 5:100, *Staff Development Program*, and as recommended by the director, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Dean of Students, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the association's website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The director shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Title IX Coordinator:

Karen Beverlin

kbeverlin@seapco.org

Processing and Reviewing a Report or Complaint

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require

further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the association's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The director or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with 34 C.F.R. §106.45. The association's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with 34 C.F.R. §106.45 before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the association as a Title IX Coordinator, investigator, decision-maker, or any person designated by the association to facilitate an informal resolution process:
 - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
 - b. Receive training on the definition of sexual harassment, the scope of the association's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the association as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the association as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the association may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Enforcement

Any association employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the association, e.g., vendor, parent, invitee, etc. Any association student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the association or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The association prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

3:40-E Exhibit - Checklist for the Executive Director Employment Contract Negotiation Process

The Board of Education hires and employs the Executive Director. The Executive Director shall be in charge of the administration of the schools under the direction of the Board, through its policies. See 105 ILCS 5/10-21.4 and 105 ILCS 5/10-16.7. As an effective employer, the Board must develop and maintain a productive relationship with the Executive Director. See IASB's *Foundational Principles of Effective Governance*, **Principle 3. The board employs a Executive Director**, at:

www.iasb.com/pdf/found_prin.pdf.

The foundation for a productive employment relationship begins when the Board identifies the most qualified Executive Director candidate (*successful Executive Director candidate*) after an established interview process. The Board then extends an offer of employment to the successful Executive Director candidate. The employment search process and resulting relationship should consist of mutual respect and a clear understanding of respective roles, responsibilities, and expectations. This relationship should begin with the Board's policy, a thoughtfully crafted employment contract and job description, and procedures for communications and ongoing assessment. See *Principles* at:

www.iasb.com/pdf/found_prin.pdf.

Below, the *Checklist for the Executive Director Employment Contract Negotiation Process* (*Checklist*) provides a column entitled **Executive Director Contract Term Considerations for the Board**. It lists common Executive Director employment contract terms and points of consideration for boards to prepare for during the contract formation process. Another column entitled **Explanation, Special Considerations, and Resources** provides extra information about these common Executive Director employment contract terms.

The *Checklist* is intended to serve as a resource to educate and guide the Board through the employment contract negotiation process with its successful Executive Director candidate. Board members who are educated about the content within the *Checklist* are crucial to successful negotiation processes. An educated contract formation and negotiation process, along with a well-written contract and job description for the Executive Director, all set the foundation for mutual respect and a clear understanding of the Board and Executive Director's respective roles, responsibilities, and expectations. **Important:** This *Checklist* is a resource for contract formation; it is not a list of *must have* items for a Executive Director's employment contract or a basis for a board to re-open contracts currently in effect.

Prior to providing the successful Executive Director candidate an offer for employment and contract for review, consideration, and negotiation, consult the Board Attorney about the *Checklist* and the scope of the terms the Board wishes to offer the successful Executive Director candidate. The Board and the successful Executive Director candidate should expect and encourage the other to seek the advice of their respective attorneys during the employment contract formation process.

Many attorneys agree and best practices suggest that boards and successful Executive Director candidates work with their own separate attorneys in an amicable and cooperative manner to complete the employment contract negotiation process.

Board Attorney. Prior to providing any successful Executive Director candidate with an offer for employment and a contract for review, consideration, and negotiation, best practices suggest consulting the Board Attorney about the *Checklist*. **Note:** Boards should view a successful Executive Director candidate retaining his or her own attorney as a best practice (as opposed to a warning sign). Each party is beginning the employment relationship in a cooperative manner to set an appropriate foundation to the future working relationship.

Duration of Contract	<p>A Executive Director's employment contract may not exceed five years. If its duration is two to five years, the contract must reference goals and suspension of tenure.</p> <p>No performance-based contract shall be extended or rolled over prior to its scheduled expiration unless all the performance and improvement goals contained in the contract have been met. See 105 ILCS 5/10-23.8.</p> <p>If the duration is one year or less, then the contract need not reference goals or suspension of tenure.</p>
Salary	<p>Special Considerations for the Board may include:</p> <ol style="list-style-type: none"> 1. What is the estimated Board contribution to the Teachers' Retirement System (TRS) for any raises above six percent (40 ILCS 5/15-155(g), amended by P.A. 101-10) prior to retirement? 2. What is the <i>cost shift</i> implication for the District if the Board offers or later agrees to a salary that is equal to or greater than the governor's statutory salary of \$177,412 (P.A. 100-23 now makes school districts responsible for paying the actuarial cost of the

Conditions of Employment

Executive Director Contract Term Considerations for the Board	Explanation, Special Considerations, and Resources
Administrative License	Does the Board want to require the successful Executive Director candidate to guarantee that as the future Executive Director of the District, he or she has and will maintain the appropriate licensure throughout the employment contract?
Criminal Background Check Law	105 ILCS 5/10-21.9, amended by P.A. 101-531. See also PRESS sample policy 5:30, <i>Hiring Process and Criteria</i> and the subhead entitled Fingerprint-based Criminal History Records Information Check in administrative procedure 5:30-AP2, <i>Investigations</i> .
Other Background Check Laws	Does the Board want to require additional background inquiries beyond the fingerprint-based criminal history records information check required by 105 ILCS 5/10-21.9, amended by P.A. 101-531, and

discussed above? If yes, consult the Board Attorney and consider the following laws:

15 U.S.C. § 1681 et seq., Federal Fair Credit Reporting Act (FCRA), is a federal law that regulates the gathering and use of information about consumers by third party *consumer reporting agencies*, including credit information, criminal background, driving record, personal characteristics/reputation, etc. The law requires consumer reporting agencies to comply with certain procedural notice requirements when gathering information from a consumer.

820 ILCS 75/, Ill. Job Opportunities for Qualified Applicants Act, prohibits employers from inquiring about an applicant's criminal history until the application has been determined qualified and notified that he/she has been selected for an interview (*a/k/a ban the box law*).

820 ILCS 55/, Ill. Right to Privacy in the Workplace Act (RPWA), prohibits employers from:

1. Requesting, coercing, or requiring any employee or prospective employee to provide a user name and password for any personal online account;
2. Requesting, coercing, or requiring an employee or applicant to invite the employer to have access to that individual's personal online account; and
3. Taking an adverse employment action against an individual (including refusal to hire) based on that individual's use of a lawful product off District property during nonworking hours, i.e., tobacco, cannabis, or alcohol. (**Note:** RPWA allows employers to regulate employees' use of those lawful products that impair an employee's ability to perform the employee's assigned duties. See policy 5:50, *Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition*, and its f/ns).

820 ILCS 70/, Ill. Employee Credit Privacy Act, prohibits employers from inquiring into an individual's credit history or taking action against an employee based such history unless a satisfactory credit history is a *bona fide occupational requirement*, which is further defined in the statute. The job descriptions of Executive Directors generally meet this standard because they: (1) describe a managerial position that involves direction of school districts; (2) include signatory power over more than \$100; and (3) involve having access to confidential and financial information. **Note:** Any one of these grounds alone is sufficient.

Medical Examination

105 ILCS 5/24-5 requires new employees to submit evidence of physical fitness to perform assigned duties and freedom from communicable diseases.

The Americans with Disabilities Act allows medical inquiries of current employees only when they are job-related and consistent with business necessity or part of a voluntary employee wellness program. 42 U.S.C. §12112(d)(4). Districts may deny jobs to individuals with disabilities who pose a direct threat to the health or safety of others in the workplace, provided that a reasonable accommodation would not either eliminate the risk or reduce it to an acceptable level. 42 U.S.C. §12113;

	<p>29 C.F.R. Part 1630.2(r).</p> <p>See also PRESS sample policy 5:30, <i>Hiring Process and Criteria</i>, specifically f/ns 18 and 19.</p>
Tenure	<p><u>Suspension of Tenure</u></p> <p>With multi-year contracts and multi-year extensions, Executive Directors waive their rights to tenure in a school district, but no previously acquired tenure may be lost.</p> <p><u>Continued Tenure</u></p> <p>Executive Directors serving multiple one year contracts may still accrue service toward and acquire tenure.</p> <p>See 105 ILCS 5/10-23.8 and the <i>Duration of Contract</i> row in the Employment and Compensation checkbox, above.</p>

1. Limit all activities involving social security numbers to those circumstances that are authorized by State or federal law.
2. Protect each social security number collected or maintained by the Association from unauthorized disclosure.

The Director is responsible for ensuring that the Association complies with the Identity Protection Act, 5 ILCS 179/. Compliance measures shall include each of the following:

1. All employees having access to social security numbers in the course of performing their duties shall be trained to protect the confidentiality of social security numbers. 2. Only employees who are required to use or handle information or documents that contain social security numbers shall have access to such information or documents.
3. Social security numbers requested from an individual shall be provided in a manner that makes the social security number easily redacted if the record is required to be released as part of a public records request.
4. When collecting a social security number or upon request by an individual, a statement of the purpose(s) for which the Association is collecting and using the social security number shall be provided. The stated reason for collection of the social security number must be relevant to the documented purpose.
5. All employees must be advised of this policy's existence, and a copy of the policy must be made available to each employee. The policy must also be made available to any member of the public, upon request.
6. If this policy is amended, employees will be advised of the existence of the amended policy and a copy of the amended policy will be made available to each employee.

No Association employee shall collect, store, use, or disclose an individual's social security number unless specifically authorized by the Director. This policy shall not be interpreted as a guarantee of the confidentiality of social security numbers and/or other personal information. The Association will use best efforts to comply with this policy, but this policy should not be construed to convey any rights to protection of information not otherwise afforded by law.

Treatment of Personally Identifiable Information Under Grant Awards

The Director ensures that the Association takes reasonable measures to safeguard: (1) *protected personally identifiable information*, (2) other information that a federal awarding agency, pass-through agency or State awarding agency designates as sensitive, such as *personally identifiable information* (PII) and (3) information that the Association considers to be sensitive consistent with applicable laws regarding privacy and confidentiality (collectively, *sensitive information*), when administering federal grant awards and State grant awards governed by the Grant Accountability and Transparency Act (30 ILCS 708/).

Investments

The Director shall either appoint a Chief Investment Officer or serve as one. The Chief Investment Officer shall invest money that is not required for current operations, in accordance with this policy and State law.

The Chief Investment Officer and Director shall use the standard of prudence when making investment decisions. They shall use the judgment and care, under circumstances then prevailing, that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the safety of their capital as well as its probable income.

Investment Objectives

The objectives for the Association's investment activities are:

1. Safety of Principal - Every investment is made with safety as the primary and over-riding concern. Each investment transaction shall ensure that capital loss, whether from credit or market risk, is avoided.
2. Liquidity - The investment portfolio shall provide sufficient liquidity to pay Association obligations as they become due. In this regard, the maturity and marketability of investments shall be considered.
3. Rate of Return - The highest return on investments is sought, consistent with the preservation of principal and prudent investment principles.
4. Diversification - The investment portfolio is diversified as to materials and investments, as appropriate to the nature, purpose, and amount of the funds.

Authorized Investments

The Chief Investment Officer may invest Association funds in any investment as authorized in 30 ILCS 235/2, and Acts amended thereto.

Except as provided herein, investments may be made only in banks, savings banks, savings and loan associations, or credit unions that are insured by the Federal Deposit Insurance Corporation or other approved share insurer.

The Chief Investment Officer and Director shall regularly consider material, relevant, and decision-useful sustainability factors in evaluating investment decisions, within the bounds of financial and fiduciary prudence. Such factors include, but are not limited to: (1) corporate governance and leadership factors, (2) environmental factors, (3) social capital factors, (4) human capital factors, and (5) business model and innovation factors, as provided under the Ill. Sustainable Investing Act, 30 ILCS 238/.

Selection of Depositories, Investment Managers, Dealers, and Brokers

The Chief Investment Officer shall establish a list of authorized depositories, investment managers, dealers and brokers based upon the creditworthiness, reputation, minimum capital requirements, qualifications under State law, as well as a long history of dealing with public fund entities. The Board will review and approve the list at least annually.

In order to be an authorized depository, each institution must submit copies of the last 2 sworn statements of resources and liabilities or reports of examination that the institution is required to furnish to the appropriate State or federal agency. Each institution designated as a depository shall, while acting as such depository, furnish the Association with a copy of all statements of resources and liabilities or all reports of examination that it is required to furnish to the appropriate State or federal agency.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the Association initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

The Association may consider a financial institution's record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. The Association may consider factors including:

1. For financial institutions subject to the federal Community Reinvestment Act of 1977, the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the federal Community Reinvestment Act of 1977;
2. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
3. The financial impact that the withdrawal or denial of Association deposits might have on the financial institution;
4. The financial impact to the Association as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and
5. Any additional burden on the Association's resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized in accordance with the Public Funds Investment Act, 30 ILCS 235/. The Director or designee shall keep the Board informed of collateral agreements.

Safekeeping and Custody Arrangements

Safekeeping practices should qualify for the Governmental Accounting Standards Board Statement No. 3 Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the Association's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the Association, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The Board will determine, after receiving the Director's recommendation, which fund is in most need of interest income and the Director shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

Ethics and Conflicts of Interest

The Board and Association officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence. Board members are bound by the Board policy 2:100, *Board Member Conflict of Interest*. No Association employee having influence on the Association's investment decisions shall:

Insufficient Fund Checks

The Director or designee is responsible for collecting up to the maximum fee authorized by State law for returned checks written to the Association that are not honored upon presentation to the respective bank or other depository institution for any reason. The Director is authorized to contact the Board Attorney whenever necessary to collect the returned check amount, fee, collection costs and expenses, and interest.

Delinquent Debt Recovery

The Director is authorized to seek collection of delinquent debt owed the Association to the fullest extent of the law.

A Local Debt Recovery Program may be available through the Illinois Office of the Comptroller (IOC) in the future. To participate in it, an intergovernmental agreement (IGA) between the Association and the IOC must be in existence. The IGA establishes the terms under which the Association may refer a delinquent debt to the IOC for an offset (deduction). The IOC may execute an offset, in the amount of the delinquent debt owed to the Association, from a future payment that the State makes to an individual or entity responsible for paying the delinquent debt.

The Director or designee shall execute the requirements of the IGA. While executing the requirements of the IGA, the Director or designee is responsible, without limitation, for each of the following:

1. Providing an Association-wide, uniform, method of notice and due process to the individual or entity against whom a claim for delinquent debt payment (*claim*) is made. Written notice and an opportunity to be heard must be given to the individual or entity responsible for paying a delinquent debt before the claim is certified to the IOC for offset. The notice must state the claim's amount, the reason for the amount due, the claim's date or time period, and a description of the process to challenge the claim. If reimbursable meals or snacks provided under the Hunger-Free Students' Bill of Rights Act are the basis of the Association's delinquent debt claim of no less than \$500, the notice must be sent to a student's parent(s)/guardian(s) only after: (a) the student owes the Association more than five meals and/or snacks; (b) the Executive Director or designee made: (i) repeated contacts to collect the amounts owed, and (ii) reasonable efforts to collect the amount due for at least one year; and (c) the Association requested the student's parent(s)/guardian(s) to apply for meal benefits pursuant to policy 4:130, *Free and Reduced-Price Food Services*, and they either: (i) did not qualify, or (ii) refused to apply.
2. An individual or entity challenging a claim shall be provided an informal proceeding to refute the claim's existence, amount, or current collectability; the decision following this proceeding shall be reviewable.
 - a. If a waiver of student fees is requested as a challenge to paying the claim, and the waiver of student fees is denied, an appeal of the denial of a fee waiver request shall be handled according to 4:140, *Waiver of Student Fees*. If no waiver of student fees is requested, reviews regarding payment of the claim shall be handled according to this policy before certification to the IOC for offset.
 - b. If application for meal benefits pursuant to policy 4:130, *Free and Reduced-Price Food Services*, is requested as a challenge to paying the claim, and the request is denied, an appeal of the denial of the request shall be handled according to 4:130, *Free and Reduced-Price Food Services*. If no request for meal benefits is received, review of the claim's payment shall be handled according to this policy before certification to the IOC for offset.
1. Certifying to the IOC that the debt is past due and legally enforceable, and notifying the IOC of any change in the status of an offset claim for delinquent debt.

2. Responding to requests for information from the IOC to facilitate the prompt resolution of any administrative review requests received by the IOC.

Cardholders are responsible for exercising due care and judgment and for acting in the Association's best interests.

The Director or designee shall manage the use of Association credit and procurement cards by employees. It is the Board's responsibility, through the audit and approval process, to determine whether Association credit and procurement card use by the Director is appropriate.

In addition to the other limitations contained in this and other Board policies, Association credit and procurement cards are governed by the following restrictions:

4:180-AP3 Administrative Procedure - Administrative Procedure - Grant Flexibility; Payment of Employee Salaries During a Pandemic

The Director or designee may implement this procedure, after consultation with the Board, when it is determined it would be in the best interests of the Cooperative to utilize federal or State agency grant flexibilities that allow continued payment of employee salaries and benefits from grant funds during a pandemic. This procedure shall be implemented consistent with Cooperative practices required by Board policies 5:200, *Terms and Conditions of Employment and Dismissal*, and 5:270, *Employment At-Will, Compensation, and Assignment*.

During a pandemic, federal and/or State agencies may take official action to temporarily allow the Cooperative (as a grant recipient) to continue to charge employee salaries and benefits to grant funds while the activities of a grant are closed in whole or in part because of a pandemic, when those payments are made consistent with the Cooperative's local practices for the payment of salaries and benefits to *similarly situated* employees paid from *other* funding sources (i.e., not tied to grant-funds) during a pandemic. The Cooperatives will use this procedure to address the payment of salaries and benefits to grant-funded employees and similarly situated non-grant funded employees during a pandemic.

When school buildings are closed due to a pandemic, the Director shall:

1. Consult with the Board to determine the extent to which continued payment of salaries and benefits will be made to the Cooperative's employees, pursuant to Board policies 3:40, *Director*, 3:50, *Administrative Personnel Other Than the Director*, 5:35, *Compliance with the Fair Labor Standards Act*, 5:200, *Terms and Conditions of Employment and Dismissal* and 5:270, *Employment At-Will, Compensation, and Assignment*, and consistent with the following:
 - a. Laws, regulations, federal or State or local emergency declarations, executive orders, and agency directives;
 - b. Collective bargaining agreements and any bargaining obligations; and
 - c. The terms of any grant under which an employee is being paid.
2. When permitted by the terms of any grant or related regulatory flexibility, and in consultation with the Board, ensure that the Cooperative continues to charge to the respective grants payment of the salaries and benefits to grant-funded employees when payment of salary and benefits is also being made to similarly situated non-grant funded employees.
3. Consult with the Board Attorney for guidance on the continued payment of salaries and benefits for grant-funded employees and similarly situated non-grant funded employees and any related legal obligations, such as collective bargaining.
4. Make recommendation(s) to the Board about the continued payment of grant-funded and similarly situated non-grant funded employees' salary and benefits during the emergency closure.
5. Regularly report to the Board regarding the payment of grant-funded and similarly situated non-grant funded employees and the work being performed by those employees during the period of the emergency closure.

4:190 Targeted School Violence Prevention Program

Threats and acts of targeted school violence harm the Cooperative's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure School environment is an important Board goal. While it is not possible for the Cooperative to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the Cooperative reduce these risks to its environment.

The Superintendent or designee shall develop and implement the Program. The Program oversees the maintenance of a Cooperative environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the Cooperative's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a Cooperative-level School Violence Prevention Team to: (a) develop a Cooperative-level Targeted School Violence Prevention Plan, and (b) oversee the Cooperative's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the Cooperative from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, Cooperative staff, or visitors.

Targeted School Violence – Includes school shootings and other school-based attacks where a school or a member of the school community was deliberately selected as the target of the attack and was not simply a random target of opportunity.

Targeted School Violence Prevention Plan (TSVP Plan) – For purposes of policy 4:190, *Targeted School Violence Prevention Program*, and this procedure, a Association-wide plan that is incorporated into each School Emergency Operations and Crisis Response Plan (SEOCR), *Comprehensive Safety and Security Plan*. A TSVP Plan is collectively implemented by local school officials, Association staff, students, families, and the community with the goal of preventing and identifying threats and targeted school violence. Under a properly implemented TSVP Plan, schools can respond to individuals/situations that raise safety concerns.

Threat – A concerning communication or behavior that indicates that an individual poses a danger to the safety of school staff or students through acts of violence or other behavior that could cause harm to self or others. The threat may be expressed/communicated behaviorally, orally, visually, in writing, electronically, or through any other means; it is considered a threat regardless of whether it is observed by or communicated directly to the target of the threat or observed by or communicated to a third party, and regardless of whether the target of the threat is aware of the threat. For more information on types of threats, see the subhead entitled **Assessing and Classifying Threats** in 4:190-AP2, *Threat Assessment Team (TAT)*.

Threat Assessment – A fact-based process emphasizing an appraisal of observed (or reasonably observable) behaviors to identify potentially dangerous or violent individuals/situations, to assess them, and to manage/address them.

Threat Assessment Team (TAT) – A multidisciplinary Building-level team lead by the Building Principal to perform specific threat assessments. For information about the function of TATs and their procedures, see 4:190-AP2, *Threat Assessment Team (TAT)*.

Preparedness for a Targeted School Violence Crisis, Response, and Recovery

<p>Association Safety Coordinator</p>	<p><i>Responsibilities</i>) might add to its procedures to accomplish a response and recovery.</p> <p>Adds an agenda item to the Safety Team meetings specific to Targeted School Violence; considers inviting the Board Attorney and local law enforcement and emergency responders to this meeting.</p> <p>Note: During a crisis, legal counsel will be a crucial part of crisis response and management (but not necessarily public relations and communication) because school officials must make split-second decisions, often with legal consequences to the Association. Local law enforcement's familiarity with the identity of the Association's legal counsel <i>before</i> a crisis occurs will assist with a faster connection between legal counsel and the school officials involved in the early stages of a Targeted School Violence Crisis and the immediate response to it.</p> <p>Considers designating a trained public relations and communication manager to inform parent(s)/guardian(s) and the community during a crisis and to keep pace with social media information.</p>

4:190-AP2 Administrative Procedure - Threat Assessment Team (TAT)

This procedure implements Threat Assessment Teams (TATs). TAT members are professional educators, mental health professionals, law enforcement professionals, and professionals from other disciplines as necessary who are trained in behavioral threat assessment. See p. 3 of 4:190-AP1, *Targeted School Violence Prevention Program*, for authority encouraging the establishment of TATs.

TATs function at the Building level, taking direction from the Association-level School Violence Prevention Team. They address potential or developing threatening behavior exhibited not only by students, but from a broad range of individuals affecting the Association environment, including:

- Students: current and former (and potentially prospective)
- Employees: current and former (and potentially prospective)
- Parents/guardians of students
- Persons who are (or have been) in relationships with staff or students
- Contractors, vendors or other visitors
- Unaffiliated persons

This procedure contains five sections as follows:

1. Glossary of Terms
2. TAT Formation, Development, and Responsibilities
3. Assessing and Classifying Threats
4. Responding to and Managing Threats
5. Reporting Threats to Outside Agencies

Glossary of Terms

Subject of Concern (Subject) – an individual who has been identified to pose a threat of violence or serious harm to self/others.

Target – an individual who is the intended target of the threat posed by the subject of concern.

TAT Triage Team – Consists of at least two members of the TAT designated by the Building Principal to triage reported cases of threatening behavior. Screens cases to determine if sufficient resources exist to address concerns or if review and/or action by the full TAT is appropriate.

Types of Threats –

Low-Risk Threat: Subject/situation does not appear to pose a threat of violence or serious harm to self/others, and any exhibited issues/concerns can be resolved easily.

Moderate-Risk Threat: Subject/situation does not appear to pose a threat of violence or serious harm to self/others at this time, but exhibits behaviors that indicate a continuing intent and potential for future violence or serious harm to self/others, and/or exhibits other concerning behaviors that

Assessing and Classifying Threats

When a threat is reported, the Building Principal and TAT assess and classify the threat using the criteria and process outlined below.

Actor	Action
Building Principal	<p>Educates him/herself about <i>types</i> of threats.</p> <p>Determines if an imminent threat exists. If an imminent threat exists, notifies law enforcement in accordance with the <i>Comprehensive Safety and Security Plan, School Emergency Operations and Crisis Response Plan (SEOCR)</i>.</p>
Building Principal and/or TAT Triage Team	<p>If no imminent threat exists, or once an imminent threat is contained, triages threat (with the TAT Triage Team, if one is designated by the Building Principal) to determine if the full TAT must be involved.</p> <p>Triage may include:</p> <ul style="list-style-type: none"> Reviewing the threatening communication and/or behavior. Reviewing school and other records for any prior history or interventions with the individual(s) involved. Evaluating the threat in context so that the meaning of the threat and intent can be determined by, among other things, conducting timely and thorough interviews (as necessary) with the person(s) who reported the threat, the threat recipient(s)/target(s), other witnesses who have knowledge of the threat, and when reasonable, the subject of concern (subject) who allegedly engaged in the threatening communication and/or behavior. <p>If the full TAT needs to be involved, convenes it as soon as possible.</p>
	<p>Assesses the threat.</p> <p>Once the assessment is complete, classifies the threat using the following basic criteria:</p>

TAT	<p>Documents the threat assessment and classification and ensures that TAT documentation follows the acronym FORT:</p> <p>F Fair – sought to understand situations and give individuals an opportunity to be heard and understood;</p> <p>O Objective – sought information based on facts and observations of the case and not speculation or bias;</p> <p>R Reasonable – engaged in responses that were effective and proportionate to the situation; and</p> <p>T Timely – quickly and responsively addressed reports of threatening behavior.</p>
-----	--

Responding to and Managing Threats

Actor	Action
TAT	<p>Identifies appropriate responses to the threat based upon its level</p> <p>Develops, implements, and monitors an individualized, fact-based case management plan to intervene with, address, and reduce the threat by:</p> <p style="padding-left: 40px;">Designating a TAT member as case manager to monitor the status of the subject and to notify the TAT of any change in status, response to interventions/referrals, or additional information that would be cause for reassessment and/or changes in interventions strategies;</p> <p style="padding-left: 40px;">Assisting the subject, and any impacted staff or students, in accessing appropriate school and community-based resources for support and/or further intervention;</p> <p style="padding-left: 40px;">Appointing one or more TAT members to engage directly with the subject to prevent the subject from becoming isolated; and</p> <p style="padding-left: 40px;">Using the least intrusive interventions and strategies that are sufficient, fair, and reasonable to address the concerns identified.</p> <p>Documents this process and any case updates</p> <p>Submits updates regularly, e.g., at least every 30 days, until the case is resolved and the subject no longer poses a threat to the school, its students, or its staff.</p> <p>Maintains documentation in accordance with Board policy, State records laws, and administrative procedures.</p>

Reporting Threats to Outside Agencies

Following is the process to notify the Local Law Enforcement Agency (LLEA) and/or the Ill. Dept. of

State Police (ISP) about certain types of threats:

5:30 Hiring Process and Criteria

The Association hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board of Control policy on equal employment opportunity and minority recruitment. The Director is responsible for recruiting personnel and making hiring recommendations to the Board. If the Director's recommendation is rejected, the Director must submit another. The Director may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval.

No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a Association application in order to be considered for employment.

Job Descriptions

The Board of Control maintains the Director's job description and directs, through policy, the Director, in his or her charge of the Association's administration.

The Director shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Director or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful Director candidate who has been offered employment by the Board of Control, the Board Chairperson shall ensure that these checks are completed. The Director or designee, or if the applicant is a successful Director candidate, then the Board Chairperson shall notify an applicant if the applicant is identified in either database. The School Code requires the Board Chairperson to keep a conviction record confidential and share it only with the Director, Regional Director, State Director, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, or for purposes of clarifying the information, the Ill. Dept. of State Police and/or Statewide Sex Offender Database. The Board of Control reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The Association retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any Association employee, then the Board must consider that person's status as a condition of employment.

The Director shall ensure that the Association does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The Association uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.

2. The Association does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The Association does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The Association does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The Association does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation, unless the applicant's wage or salary history is a matter of public record, or is contained in a document completed by the applicant's current or former employer and then made available to the public by the employer, or then submitted or posted by the employer to comply with State or federal law; or the applicant is a current employee applying for a position with the same current employer..
6. The Association does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The Association does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The Association provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the Association.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Orientation Program

The Association's staff will provide an orientation program for new employees to acquaint them with the Association's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

5:35 Compliance with the Fair Labor Standards Act

Job Classifications

The Director will ensure that all job positions are identified as either "exempt" or "non-exempt" according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are "exempt" or "non-exempt." "Exempt" and "non-exempt" employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for Association employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. "Overtime" is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor's express approval. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Director.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Suspension*. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Employment Termination and Suspensions*.

Implementation

Commercial airfare costs in excess of the least expensive coach or economy class are prohibited except when such accommodations would: (1) require circuitous routing; (2) require travel during unreasonable hours; (3) excessively prolong travel; (4) result in additional costs that would offset transportation savings; or (5) offer accommodations not reasonably adequate for the traveler's medical needs. Qualifying circumstances must be explained on the expense form, and Board approval of the additional expense is required.
7. Per diem rates and actual reimbursement amounts for mileage, meals, and lodging may not exceed the rates established by the Governor's Travel Control Board or federal travel regulations, whichever is less. These limits do not apply when: (1) an employee stays in the lowest-priced room available at or near a hotel where a conference or seminar is located or in accommodations arranged by the conference/seminar organization, or (2) lodging at or below the established rate is unavailable. In those cases, the employee will be reimbursed for actual lodging expenses with prior approval, but in no case will the reimbursement exceed 300% of the applicable maximum per diem rate. If a conference fee includes a meal, the meal or per diem allowance will be reduced by the actual value of the meal or the applicable meal allowance, whichever is less.

5:90 Abused and Neglected Child Reporting

Any Association employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 21, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606(outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any Association employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Director or Building Principal that a report has been made. The Director or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Negligent failure to report occurs when a Association employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any Association employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Director or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any Association employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Director, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Director or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and *Erin's Law* Training

The Director or designee shall provide staff development opportunities for Association employees in the detection, reporting, and prevention of child abuse and neglect.

All Association employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Director or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.

The Director will encourage all Association educators to complete continuing professional development that addresses the traits and identifiers that may be evident in students who are victims of child sexual abuse, including recognizing and reporting child sexual abuse and providing appropriate follow-up and care for abused students as they return to the classroom setting.

Alleged Incidents of Sexual Abuse: Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or

volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a Association employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the Association when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the Association from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Director Responsibilities

The Director shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another Association requests a reference concerning an applicant who is or was a Association employee and was the subject of a report made by a Association employee to DCFS.

The Director shall notify the State Superintendent and the Regional Superintendent in writing when he or she has reasonable cause to believe that a license holder was dismissed or resigned from the Association as a result of an act that made a child an abused or neglected child. The Director must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

Special Board of Control Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any Association employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

5:180 Temporary Illness or Temporary Incapacity

Please refer to the applicable collective bargaining agreement.

For employees not covered by a current applicable bargaining agreement:

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, Association-paid insurance programs, etc.) will be deducted from the Association's compensation liability to the employee. The Board of Control's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of his or her gross salary.

Those insurance plans privately purchased by the employee and to which the Association does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Director may recommend this paragraph's use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the Association's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

5:185 Family and Medical Leave

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each year, on a rolling 12-month period measured backward from the date the employee uses any FMLA leave so that the remaining leave entitlement is the balance of the 12 weeks that has not been used during the immediately preceding 12 months.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the Association will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided by federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the Association, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, both of the following provisions must describe the employee:

1. The employee is employed at a worksite where at least 50 employees are employed within 75

miles; and

2. The employee has been employed by the District for at least 12 months and has been employed for at least 1,250 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than 7 years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Director or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the Association's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Director or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Director or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The Association may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The Association may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the Association may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) Association receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the Association within 15 calendar days after the request. The Association may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the Association may

result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A Association's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the Association notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Director or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Director or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the Association may impose as provided in the FMLA or implementing regulations, and (2) the Association's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Director or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

Please refer to the applicable collective bargaining agreement.

The Director may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license or short-term substitute license and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

The Illinois Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year, but not more than 100 paid days in the same classroom. Beginning July 1, 2021, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

Short-Term Substitute Teachers

Short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board.

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Director shall ensure that all teachers, other certificated employees, and persons providing a student's related service(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the Board of Control policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students. A student's removal must be in accordance with Board policy and administrative procedures.

Teachers shall not use disciplinary methods that may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. 5:240 Suspension

Suspension Without Pay

The Board of Control may suspend without pay: (1) a professional employee pending a dismissal hearing, or (2) a professional employee as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to the Association. Administrative staff members may not be suspended without pay as a disciplinary measure.

Misconduct that is detrimental to the Association includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor;
- Violation of Board policy or Administrative Procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and
- Other sufficient causes.

The Director or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within five calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Director or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board or Director or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the Association's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the Association as defined above, or (3) pending a Board hearing to suspend a teacher without pay.

The Director shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that the Association remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the Association, the Board or Director or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
 - a. A suspension with pay; or
 - b. A suspension without pay.

Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of his or her criminal conviction, the employee must repay to the Association all compensation and the value of all benefits received by him or her during the suspension. The Director will notify the employee of this requirement when the employee is suspended.

5:250 Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Personal Leave, Leaves to Serve as an Officer or Trustee of a Specific Organization

Please refer to the applicable collective bargaining agreement.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Director may require that the employee provide evidence that the formal adoption process is underway.

Child Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Sabbatical Leave

Sabbatical leave may be granted in accordance with the School Code.

Leave of Absence Without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the Association, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the Association's employees may be absent to serve as election judges on the same Election Day.

Child-Rearing Leave

The Board may grant a professional staff member's request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave exceed three semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy.

A teacher should request, if possible, a child-rearing leave by notifying the Director in writing no later than 90 days before the requested leave's beginning date. The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess.

Subject to the insurance carrier's approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.

A professional staff member desiring to return before the leave's expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Director shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, or Gender Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, or gender violence, or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, or gender violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the Association employs at least

50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

7:140 Search and Seizure

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Director or designee may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the Association's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Director.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the Association's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Director or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

7:180 Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important Association goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the Association or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from 105 ILCS 5/27-23.7

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline,

such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, and (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school.

School personnel means persons employed by, on contract with, or who volunteer in a Association, including without limitation school and Association administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Bullying Prevention and Response Plan

The Director or designee shall develop and maintain a bullying prevention and response plan that advances the Association's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12.

1. The Association uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of this Association. However, nothing in the Association's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the Association named officials or any staff member. The Association named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted.

4. Consistent with federal and State laws and rules governing student privacy rights, the Director or designee shall promptly inform the parent(s)/guardian(s) of every student involved in an alleged incident of bullying and discuss, as appropriate, the availability of social work services, counseling, school psychological services, other interventions, and restorative measures.
5. The Director or designee shall promptly investigate and address reports of bullying, by, among other things:
 - a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of a bullying incident was received and taking into consideration additional relevant information received during the course of the investigation about the reported bullying incident.
 - b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.
 - c. Notifying the Building Principal or school administrator or designee of the reported incident of bullying as soon as possible after the report is received.

The Director or designee shall investigate whether a reported incident of bullying is within the permissible scope of the Association's jurisdiction and shall require that the Association provide the victim with information regarding services that are available within the Association and community, such as counseling, support services, and other programs.

6. The Director or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. A student's act of reprisal or retaliation will be treated as *bullying* for purposes of determining any consequences or other appropriate remedial actions.
8. A student will not be punished for reporting bullying or supplying information, even if the Association's investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as *bullying* for purposes of determining any consequences or other appropriate remedial actions.
9. The Association's bullying prevention and response plan must be based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Director or designee shall post this policy on the Association's website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must be distributed annually to parents/guardians, students, and school personnel (including new employees when hired), and must also be provided periodically throughout the school year to students and faculty.
11. The Director or designee shall assist the Board with its evaluation and assessment of this policy's outcomes and effectiveness. This process shall include, without limitation:
 - a. The frequency of victimization;
 - b. Student, staff, and family observations of safety at a school;
 - c. Identification of areas of a school where bullying occurs;

- d. The types of bullying utilized; and
- e. Bystander intervention or participation.

The evaluation process may use relevant data and information that the Association already collects for other purposes. The Director or designee must post the information developed as a result of the policy evaluation on the Association's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students.

12. The Director or designee shall fully implement the Board policies, including without limitation, the following:
- a. 2:260, *Uniform Grievance Procedure*. A student may use this policy to complain about bullying.
 - b. 2:265, *Title IX Sexual Harassment Grievance Procedure*. Any person may use this policy to complain about sexual harassment in violation of Title IX of the Education Amendments of 1972.
 - c. 6:60, *Curriculum Content*. Bullying prevention and character instruction is provided in all grades in accordance with State law.

 - e. 6:235, *Access to Electronic Networks*. This policy states that the use of the Association's electronic networks is limited to: (1) support of education and/or research, or (2) a legitimate business use.
 - f. 7:20, *Harassment of Students Prohibited*. This policy prohibits *any* person from harassing, intimidating, or bullying a student based on an identified actual or perceived characteristic (the list of characteristics in 7:20 is the same as the list in this policy).
 - g. 7:190, *Student Behavior*. This policy prohibits, and provides consequences for, hazing, bullying, or other aggressive behaviors, or urging other students to engage in such conduct.

7:190 Student Behavior

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in *prohibited student conduct*, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
 - a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*).
 - b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
 - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.
 - d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*.
 - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the

student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.

- f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
- g. Look-alike or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
- h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

- 4. Using, possessing, controlling, or transferring a *weapon* as that term is defined in the Weapons section of this policy, or violating the Weapons section of this policy.
- 5. Using or possessing an electronic paging device. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered-off and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP); (c) it is used during the student's lunch period, or (d) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
- 6. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
- 7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a Association staff member's request to stop, present school identification, or submit to a search.
- 8. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
- 9. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.
- 10. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.

11. Teen dating violence, as described in Board policy 7:185, *Teen Dating Violence Prohibited*.
12. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
13. Entering school property or a school facility without proper authorization.
14. In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.
15. Being absent without a recognized excuse; State law and Board of Control policy regarding truancy control will be used with chronic and habitual truants.
16. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
17. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
18. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
19. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
20. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Director or designee.
21. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term *possession* includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Director or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall

not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The Association will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended may also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed two calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled may also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), *look-alikes*, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the Association and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Isolated Time Out, Time Out, and Physical Restraint

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in 105 ILCS 5/10-20.33, State Board of Education rules (23 Ill.Admin.Code §§ 1.280, 1.285), and the Association's procedure(s).

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than two calendar years:

1. A *firearm*, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430ILCS65/), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24-1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including *look-alikes* of any *firearm* as defined above.

The expulsion requirement under either paragraph one or two above may be modified by the Director, and the Director's determination may be modified by the Board on a case-by-case basis. The Director or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Director or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, Ill. Dept. of State Police (ISP), and any involved student's parent/guardian. *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Director, Building Principal, Assistant Building Principal, or Dean of Students is authorized to

impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Director, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the Association's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the Association disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

7:200 Suspension Procedures

In-School Suspension

The Director or designee is authorized to maintain an in-school suspension program. The program shall include, at a minimum, each of the following:

2. Students are supervised by licensed school personnel.
3. Students are given the opportunity to complete classroom work during the in-school suspension for equivalent academic credit.

Out-of-School Suspension

The Director or designee shall implement suspension procedures that provide, at a minimum, for each of the following:

1. A conference during which the charges will be explained and the student will be given an opportunity to respond to the charges before he or she may be suspended.
2. A pre-suspension conference is not required, and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.
3. An attempted phone call to the student's parent(s)/guardian(s).
4. A written notice of the suspension to the parent(s)/guardian(s) and the student, which shall:
 - a. Provide notice to the parent(s)/guardian(s) of their child's right to a review of the suspension;
 - b. Include information about an opportunity to make up work missed during the suspension for equivalent academic credit;
 - c. Detail the specific act of gross disobedience or misconduct resulting in the decision to suspend;
 - d. Provide rationale or an explanation of how the chosen number of suspension days will address the threat or disruption posed by the student or his or her act of gross disobedience or misconduct; and
 - e. Depending upon the length of the out-of-school suspension, include the following applicable information:
 - i. For a suspension of 3 school days or less, an explanation that the student's continuing presence in school would either pose:
 - a) A threat to school safety, or
 - b) A disruption to other students' learning opportunities.
 - ii. For a suspension of 4 or more school days, an explanation:
 - a) That other appropriate and available behavioral and disciplinary interventions have been exhausted,
 - b) As to whether school officials attempted other interventions or determined that no other interventions were available for the student, and
 - c) That the student's continuing presence in school would either:

- i) Pose a threat to the safety of other students, staff, or members of the school community, or
- ii) Substantially disrupt, impede, or interfere with the operation of the school.
- iii. For a suspension of 5 or more school days, the information listed in section 4.e.ii., above, along with documentation by the Director or designee determining what, if any, appropriate and available support services will be provided to the student during the length of his or her suspension.
- 5. A summary of the notice, including the reason for the suspension and the suspension length, must be given to the Board by the Director or designee.
- 6. Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the Board or a hearing officer appointed by the Board. At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the Board or its hearing officer and may be represented by counsel. Whenever there is evidence that mental illness may be the cause for the suspension, the Director or designee shall invite a representative from the Department of Human Services to consult with the Board. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate. If the suspension is upheld, the Board's written suspension decision shall specifically detail items (a) and (e) in number 4, above.

7:260 Exemption from Physical Education

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.

State law prohibits the Board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the Association.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 3-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
2. He or she (a) has an IEP, (b) is participating in an adapted athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Director or designee.

A student requiring adapted physical education must receive that service in accordance with his or her Individualized Educational Program/Plan (IEP).

Students in grades 7 and 8 may submit a written request to the Building Principal to be excused from physical education courses because of his or her ongoing participation in an interscholastic or extracurricular athletic program. The Building Principal will evaluate requests on a case-by-case basis.

The Director or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student's participation ceases;
2. The student's class schedule; and
3. The student's future or planned additional participation in activities qualifying for substitutions for physical education as outlined in policy 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*.

7:270 Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the Association's procedures on dispensing medication.

No Association employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed *School Medication Authorization Form (SMA Form)* is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an *SMA Form*. The Director or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a *qualifying plan*, provided the student's parent/guardian has completed and signed an *SMA Form*. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an Ill. Food Allergy Emergency Action Plan and Treatment Authorization Form, (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

The Association shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the Association and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Program Act allows a *medical cannabis infused product* to be administered to a student by one or more of the following individuals:

1. A parent/guardian of a student who is a minor who registers with the Ill. Dept. of Public Health (IDPH) as a *designated caregiver* to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a *medical cannabis infused product* to a child who is a student on the premises of his or her school or on his or her school bus if:
 - a. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
 - b. Copies of the registry identification cards are provided to the Association;

- c. That student's parent/guardian completed, signed, and submitted a *School Medication Authorization Form - Medical Cannabis*; and
 - d. After administering the product to the student, the designated caregiver immediately removes it from school premises or the school bus.
2. A properly trained school nurse or administrator, who shall be allowed to administer the *medical cannabis infused product* to the student on the premises of the child's school, at a school-sponsored activity, or before/after normal school activities, including while the student is in before-school or after-school care on school-operated property or while being transported on a school bus.
 3. The student him or herself when the self-administration takes place under the direct supervision of a school nurse or administrator.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

The product may not be administered in a manner that, in the opinion of the Association or school, would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver, or by a school nurse or administrator, or who self-administers a product under the direct supervision of a school nurse or administrator pursuant to this policy is prohibited. The Association may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **Administration of Medical Cannabis** section of the policy is void and the Association reserves the right not to implement it if the Association or school is in danger of losing federal funding.

7:285 Food Allergy Management Program

School attendance may increase a student's risk of exposure to allergens that could trigger a food-allergic reaction. A food allergy is an adverse reaction to a food protein mediated by the immune system which immediately reacts causing the release of histamine and other inflammatory chemicals and mediators. While it is not possible for the Association to completely eliminate the risks of exposure to allergens when a student is at school, a Food Allergy Management Program using a cooperative effort among students' families, staff members, and students helps the Association reduce these risks and provide accommodations and proper treatment for allergic reactions.

The Director or designee shall develop and implement a Food Allergy Management Program that:

1. Fully implements the following goals established in the School Code: (a) identifying students with food allergies, (b) preventing exposure to known allergens, (c) responding to allergic reactions with prompt recognition of symptoms and treatment, and (d) educating and training all staff about management of students with food allergies, including administration of medication with an injector, and providing an in-service training program for staff who work with students that is conducted by a person with expertise in anaphylactic reactions and management.
2. Follows and references the applicable best practices specific to the Association's needs in the joint State Board of Education and Ill. Dept. of Public Health publication *Guidelines for Managing Life-Threatening Food Allergies in Schools*, available at:

3. Methods of intervention, including procedures that address an emotional or mental health safety plan for use during the school day and at school-sponsored events for a student identified as being at increased risk of suicide. Implementation will incorporate paragraph number 2, above, along with:
 - a. Board policy 6:65, *Student Social and Emotional Development*, implementing the goals and benchmarks of the Ill. Learning Standards and 405 ILCS 49/15(b) (requiring student social and emotional development in the Association's educational program);

6. A process to incorporate ISBE-recommended resources on youth suicide awareness and prevention programs, including current contact information for such programs in the Association's Suicide and Depression Awareness and Prevention Program.

Illinois Suicide Prevention Strategic Planning Committee

The Director or designee shall attempt to develop a relationship between the Association and the Illinois Suicide Prevention Strategic Planning Committee, the Illinois Suicide Prevention Coalition Alliance, and/or a community mental health agency. 7:340 Student Records

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 17 years who has been arrested or taken into custody.

State and federal law grants students and parents/guardians certain rights, including the right to inspect, copy, and challenge school student records. The information contained in school student records shall be kept current, accurate, clear, and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The Association may release directory information as permitted by law, but a parent/guardian shall have the right to opt-out of the release of directory information regarding his or her child. However, the Association will comply with an *ex parte* court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to, or the consent of, the student's parent/guardian. Upon request, the Association discloses school student records without parent consent to the official records custodian of another school in which a student has enrolled or intends to enroll, as well as to any other person as specifically required or permitted by State or federal law.

The Director shall fully implement this policy and designate an *official records custodian* for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.
