Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the
Board member or employee, does not violate this policy if the recipient promptly takes reasonable
action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its
value to an appropriate charity that is exempt from income taxation under 26 U.S.C. §501(c)(3).

Enforcement

The Board Chairperson and Director shall seek guidance from the Board attorney concerning
compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary
or prudent, appoint an Ethics Advisor for this task.

Complaints of Sexual Harassment Made Against Board Members by Elected Officials

Pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/70-5), members of the Board and other elected officials are encouraged to promptly report claims of sexual harassment by a Board member. Every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available. If the official feels comfortable doing so, he or she should directly inform the individual that the individual’s conduct or communication is offensive and must stop.

Board members and elected officials should report claims of sexual harassment against a member of the Board to the Board President or Director. If the report is made to the Director, the Director shall promptly notify the President, or if the President is the subject of the complaint, the Vice President. Reports of sexual harassment will be confidential to the greatest extent practicable.

When a complaint of sexual harassment is made against a member of the Board by another Board member or other elected official, the Director shall appoint a qualified outside investigator who is not a Association employee or Board member to conduct an independent review of the allegations. The investigator shall prepare a written report and submit it to the Board.

If a Board member has engaged in sexual harassment, the matter will be addressed in accordance with the authority of the Board.

The Director will post this policy on the Association website and/or make this policy available in the Association’s administrative office.

2:140 Communications To and From the Board

The Board of Control welcomes communications from staff members, parents/guardians, students, and community members. Individuals may submit questions or communications for the Board’s consideration to the Director or may use the electronic link to the Board’s email address(es) posted on the Association’s website.

The Director or designee shall:

1. Ensure that the home page for the Association’s website contains an active electronic link to the email address(es) for the Board of Control, and

2. During the Board’s regular meetings, report for the Board’s consideration all questions or communications submitted through the active electronic link along with the status of the Association’s response in the Board meeting packet.

If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members’ questions or communications to staff or about programs will be channeled through the Director’s office. Board members will not take individual action that might compromise the Board or Association. There is no expectation of privacy for any communication sent to the Board or its members, whether sent by letter, email, or other means.

Board Member Use of Electronic Communications

For purposes of this section, electronic communications includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Electronic communications among a majority or more of a Board-quorum shall not be used for the purpose of discussing Association business. Electronic communications among Board members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Board meeting agendas or information concerning agenda items
- Individual emails to community members, subject to the other limitations in this policy

In accordance with the Open Meetings Act and the Oath of Office taken by Board members, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of Association business through electronic communications with a majority of a Board-quorum.

CROSS REF.: 2:220 (Board of Control Meeting Procedure), 3:30 (Chain of Command), 8:110 (Public Suggestions and Concerns)

Adopted: October 11, 2019

Special Education Association of Peoria County
The Open Meetings Act (OMA) requires the Board of Control to discuss Association business only at a properly noticed Board meeting. 5 ILCS 120/.. Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss Association business. This Guidance assumes a Board has seven members and covers issues arising from Board policy 2:140, Communications To and From the Board.

Communications Between or Among Board Members and/or the Director Outside of a Properly Noticed Board Meeting

1. The Director or designee is permitted to email information to Board members. For example, the Director may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Director should copy all other Board members and include a do not reply/forward alert to the group, such as: "BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."

2. Board members are permitted to discuss any matter except Association business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.

3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.

4. A Board member is not permitted to discuss Association business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss Association business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing Association business in a series of visits with, or telephone calls or emails to, Board members individually.

5. A Board member should include a do not reply/forward alert when emailing a message concerning Association business to more than one other Board member. The following is an example of such an alert: "BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual."

6. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a public record as defined by FOIA, unless a specific exemption applies. A public record is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body." 5 ILCS 140/2. Email sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a public record (unless a FOIA exemption is applicable).

If a Board member uses a Association-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:
First, the communication pertains to the transaction of public business, and

Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill.App.4th, 2013).

The following examples describe FOIA’s treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
   a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work would not be a public record. Individual Board members, alone, cannot conduct Association business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
   b. Sent and/or received by an individual Board member on a Association-issued device or Association-issued email address will be a public record and subject to FOIA. The electronic communication is under the control of the Association.
   c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a Association-owned device or server will be a public record and subject to FOIA. The electronic communication is under the control of the Association.
   d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum will be a public record and subject to FOIA. The electronic communication is in the Association’s possession.
   e. Either sent to or from a Board member’s personal electronic device during a Board meeting will be a public record and subject to FOIA. The electronic communication is in the Association’s possession because Board members were functioning collectively as a public body.

The Association’s Freedom of Information Officer and/or Board Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Email that qualifies under FOIA as a public record will need to be stored pursuant to the Local Records Act(LRA), only if it is evidence of the Association’s organization, function, policies, procedures, or activities or contains informational data appropriate for preservation, 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate Association office where it will be stored. If made available, Board members should use their email accounts provided by the Association, and the Association will automatically store the official record messages. The Association will delete these official record messages as provided in an applicable, approved retention schedule. Of course, email pertaining to public business that is sent or received by a Board Member using a Association-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any email concerning a topic that is being litigated without obtaining the
Board attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

2:150 Committees

The Board of Control may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board Chairperson makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board - it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Board Policy Committee. This committee researches policy issues, and provides information and recommendations to the Board.
2. Finance Committee.
3. Evaluation Committee, consisting of the Chairperson and Vice Chair.

Nothing in this policy limits the authority of the Director or designee to create and use committees that report to him or her or to other staff members.

2:160 Board Attorney

The Board of Control retain legal services with one or more attorneys or law firms to be the Board Attorney(s). The Board Attorney serves on a retainer or other fee arrangement as determined in advance. The Association will only pay for legal services that are provided in accordance with the agreement for legal services, as memorialized by an engagement letter, or that are otherwise authorized by this policy or a majority of the Board.

The Director, his or her designee, and Board Chairperson, are each authorized to confer with and/or seek the legal advice of the Board Attorney. The Board may also authorize a specific Board member to confer with the Board Attorney on its behalf.

2:160-E Exhibit - Checklist for Selecting a Board Attorney

The Board of Control selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms, but it can be adapted for an application process, if the Board seeks an in-house attorney. For more information, call the IASB Office of General Counsel; see its current phone numbers at www.iasb.com/whatis/staff.cfm.

☐ Determine what type of legal services the Association needs.

1. Review Board policy 2:160, Board Attorney. Note: Critically analyze whether the Association's legal needs are best served by in-house attorney(s) or outside attorney(s)/law firms. Many Associations use a combination of these services. Many Associations also use multiple attorney(s)/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorney(s)/law firms, but it can be adapted for an application process, which would better fit if the Board seeks an in-house attorney.

2. Consider the following factors to analyze the type(s) of legal services needed for the Association including, but are not limited to:

- Association's size;
- Any past and current experiences with legal matters;
- Complexity of the Association's legal needs;
- Availability of expertise; and
- Cost of outside fees compared to internal staff expenses for an in-house arrangement.

☐ Develop a list of qualifications necessary for providing quality legal services to the Association.

1. Review policy 4:60, Purchases and Contracts. Note: While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align contracts for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the Association's budget, etc.

2. Develop the list of qualifications. The major qualifications include, but are not limited to:

- Licensed to practice law in Illinois and in good standing with the Illinois Attorney Registration and Disciplinary Commission (ARDC) (see checklist item Conduct a reference check and other background investigations, below)
- Member of the Association's assigned United States Association court and the Seventh Circuit Court of Appeals
- Substantive knowledge and experience in the legal areas matching Association's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom of Information Act, Open Meetings Act, other records laws, special education, student rights, etc. Note: This list of knowledge and experience must be created by the Association's identified needs and may change from time to time.
- Experience in all aspects of contract, employment, and school law
- Experience that meets the Association's needs, including litigation experience in State and federal courts
- Membership in professional associations, such as, the Illinois Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
- Demonstrated knowledge of and ability to apply professional responsibility rules
• Accessibility for the Association's identified needs, e.g., evening Board meetings, phone calls, etc.
• Ability to declare that representation of the Association will be to the exclusion of all other clients having potential conflicts with the Association's interests
• When additional qualifications apply, list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

☐ Develop the RFP.

1. Insert the list of qualifications that the Board developed.
2. Include the following information:
   • The deadline for responses to be submitted
   • The location (address or email) where responses should be sent
   • A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the Association
   • Significant information about the Association. See Board policy 1:30, Association Philosophy, for the Association's mission statement that is specific to the community's goals.
   • The scope of work, e.g., "The Board Attorney will provide legal advice concerning [typical duties, specific duties, excluded duties]."
   • Qualifications
   • Details about interviews and presentations
3. Specify what responders must include in their responses, such as the following:
   • Cover letter, complete name, address, and legal structure (if the responder is a law firm)
   • The individuals who prepared the response, including their titles
   • If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
   • A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."
   • A summary of the responder's relevant experience representing public schools
   • A writing sample
   • An assurance that the responder meets the RFP's qualifications
   • References including current or past clients

☐ Announce the RFP.

1. Title the announcement. Note: How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the Association's website, mail it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the Council of School Attorneys (ICSA) is on the IASB website, www.iasb.com. A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Illinois State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The [Insert Association's name] Board of Control Requests Proposals to Provide Legal Services."
2. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
3. Inform the reader that the attorney or law firm selected will serve from the date of appointment to
4. State the Association's philosophy or mission statement.
5. Insert the RFP location and contact information with the beginning date and time.
6. Tell prospective responders that completed RFPs must be returned [by certain time and date] to [name and title of person receiving applications].

Receive and manage responses to the RFP.

1. Review policy 2:110, Qualifications, Term, and Duties of Board Officers. The Board Chairperson is a logical officer to accept the applications, but this task may be delegated to the Secretary or Director’s secretary if the Board determines that it is more convenient. Who accepts applications is at the Board’s sole discretion and should be decided by the Board prior to posting the RFP announcement.
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

Develop interview questions.

1. Interview questions are at the Board’s discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.
3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
   - What do you see as your role as Board Attorney?
   - How many other Associations do you currently represent?
   - What kind of legal services do you provide to your school clients? Please explain how your other experience is relevant to this position.
   - How many years of experience does your firm (or, the attorney) have? How long have you been practicing law? How long have you been representing Associations?
   - What methods will you use to ensure all members of the Board, which is your client, remain informed? See the discussion about the Ill. Professional Rules of Conduct in fn 2 of policy 2:160, Board Attorney.
   - How would you manage a situation in which the Board feels strongly about its position but you believe that position is not legally supportable? The Ill. Rules of Professional Conduct, at www.illinoiscourts.gov/supremecourt/rules/art_viii/default_new.asp, require attorneys to represent the Board in its capacity as the governing body for the Association. The responders should be discussing these rules, specifically Rule 1.7 (Conflict of Interest: Current Clients) and Rule 1.13 (Organization as Client), among others, in their answers to this question. See also, PRESS policy 2:160, Board Attorney.
   - How would you manage a situation in which the Board’s interest may be or become adverse to one or more of its members? See the discussion about the Ill. Professional Rules of Conduct in fn 2 of policy 2:160, Board Attorney.
   - How would you manage a situation in which the Board and Director are in conflict? How about a divided Board? See the discussion about the Ill. Professional Rules of Conduct in fn 2 of policy 2:160, Board Attorney.
   - If the Board did something that you had advised against, could you still defend the Board’s action? See the discussion about the Ill. Professional Rules of Conduct in fn 2 of policy 2:160, Board Attorney.
• Will you try to shape Board decisions or do you have a *whatever the Board decides philosophy?* See the discussion about the *III. Professional Rules of Conduct* in fn 2 of policy 2:160, *Board Attorney.*

• Do you give clients specific recommendations or do you advise them of the available options and let the client decide? See the discussion about the *III. Professional Rules of Conduct* in fn 2 of policy 2:160, *Board Attorney.*

• Do you provide your Board of Control clients with any updating services gratis?

• How do you keep your Board clients apprised of litigation and other legal matters you are handling for them?

• Will you be handling this business personally (i.e., will you delegate to your associates or partners)?

• Can anyone else in your firm handle our inquiries when you are unavailable?

• How do you keep current on school law?

• When do you tell your school clients to contact you regarding a matter with possible legal repercussions?

• Have you represented a Association in a matter involving the rights of disabled students? â€¦ involving disabled employees? ... involving a student expulsion? â€¦ involving a teacher dismissal? â€¦ involving an employee's contract or dismissal? â€¦ involving a building contract or bidding matter? â€¦ Can you tell us about that case?

• How do you bill? How are you to be paid? Please explain your rates and/or fees. The subject of billing should cover whether the attorney or law firm prepares a budget for representation and its method for billing in detail, including the date and time, what work was performed, and who worked on the project, along with expenses.

• Did you bring a written agreement for legal services or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services.

☐ Develop an interview protocol. Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board Chairperson will lead the Board as it interviews responders to its RFP (see 105 ILCS 5/10-13 stating that the Board Chairperson presides at all meetings and Board policy 2:110, Qualifications, Term, and Duties of Board Officers).

2. The Board may also want to consider allowing an equal amount of time for each interview.

3. Discuss the following items with each responder during the interview:

• Introduce Board members to the responder.

• Describe the Board’s interview process, selection process, and ask the responder if he or she has questions about the Board’s process for selecting its attorney.

• Describe the Association’s philosophy or mission statement.

• Describe the Board Attorney position by reviewing the RFP.

• Begin asking the interview questions. (See *Develop interview questions,* above).

• Ask the responder whether he or she has any questions for the Board.

• Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board’s decision.

☐ Conduct a reference check and other background investigation(s).

1. The Board Chairperson may perform this check or direct the Director to:

• Check the ARDC's master roll of attorneys as "Authorized to Practice Law." To do this, enter the
attorney's name into the ARDC's registration and public disciplinary records database at: www.iardc.org/lawyersearch.asp.

- Click on the attorney's name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen.
- If disciplinary actions are listed, ask the attorney or law firm for more information.

2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.

3. Call references provided by the responder.

☐ Enter into a written contract with the selected attorney or law firm.

1. All agreements for legal services should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. Agreements for legal services and individual billing statements form the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAC-14-002).

2. Discuss the fee arrangements with the responder and decide:

   - Whether to enter into a fee arrangement or a retainer agreement. Note: Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour increments. Many Associations enter into a retainer agreement for legal services that requires them to pay the attorney a pre-determined fee every month. In return, the attorney provides a pre-determined amount of legal services whenever the Association needs him or her. Associations find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.
   - The appropriate scope of services.

3. Review the written contract (Agreement for Legal Services) for these provisions:

   - Fee arrangement.
   - Scope of services.
   - Who will be providing legal services?
   - A statement that the Board controls all legal decisions.
   - A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it.
   - Board's right to terminate the services of the attorney and law firm at any time for any reason.

4. Approve the Agreement for Legal Services during an open Board meeting.

☐ Announce the appointment to Association staff and community.

1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.

2. The Board may want to consider announcing during an open meeting. See Board policy 8:10, Connection with the Community.

3. The Board may want to include the following information in its announcement:

   - The Board appointed [attorney's name or law firm name] as the Board Attorney.
   - The appointment will begin on [date] for [length of time].
   - The Board previously established qualifications for the Board Attorney in a careful and thoughtful
manner. [Attorney or lawfirm's name] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [Attorney or lawfirm's name] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge.

A meeting may be rescheduled or reconvened. Agenda

The Board of Control Chairperson is responsible for focusing the Board meeting agendas on appropriate content. The Director shall prepare agendas in consultation with the Board Chairperson. The Chairperson shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Board members to the Director or the Chairperson shall be placed on the agenda for an upcoming meeting. Association residents may suggest inclusions for the agenda. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Director shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, Types of Board of Control Meetings.

The Board Chairperson shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Association Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of abstain or present, or a vote other than yea or nay, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of abstain or present, or a vote other than yea or nay, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board’s minutes. An individual Board member may request that a roll call vote be taken on any other matter; the Chairperson or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Each Board of Control member shall be entitled to voting privileges. Each district representative shall be entitled to the number of votes calculated as the number of enrolled special education students receiving services in special education classrooms as reported on the Association’s October billing. The Regional Superintendent shall be entitled to the number of votes equal to the Association having the least enrollment of special education students. The calculated votes will be revised annually at the Board of Control meeting held in November.

Unless otherwise provided by law, when a vote is taken upon any measure before the Association Board with a quorum being present, a majority of the weighted votes cast shall determine its outcome. When votes are entered in the records of the Association Board, "present" or "abstain" votes shall be recorded as such. A vote of "present" or "abstain" is counted with the majority vote. On a tie vote, the motion is lost.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which
shall be signed by the Chairperson and the Secretary. The minutes include:

1. The meeting’s date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted yea and nay;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting’s date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board’s meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board’s approval; they may be inspected in the Association’s main office, in the presence of the Secretary, the Director or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the Association’s administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Director or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the Association’s administrative offices or their official storage location except by vote of the Board or by court order.

The Board’s open meeting minutes shall be posted on the Association website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Director, or the Board Secretary when the Director is absent, shall audio record all closed meetings. If neither is present, the Board Chairperson or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Director shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board’s regular meeting location.
After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Director or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the Association’s administrative offices or the verbatim recording’s official storage location. Requests shall be made to the Director or Board Chairperson. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the Association’s main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to Association, and/or Oath of Office in policy 2:80, Board Member Oath and Conduct. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

**Quorum and Participation by Audio or Video Means**

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or Association business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Director at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Director will inform the Board Chairperson and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

**No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration**

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board Chairperson or, if the office is vacant or the Chairperson is absent or unable to perform the office’s duties, the Vice Chairperson determines that an in-person meeting or a meeting conducted under the Quorum and Participation by Audio or Video Means subhead above, is not practical or prudent because of the disaster declaration; if neither the Chairperson nor Vice Chairperson is present or able to perform this determination, the Director shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board’s published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

**Rules of Order**

Unless State law or Board-adopted rules apply, the Board Chairperson, as the presiding officer, will use Robert's Rules of Order, Newly Revised (11th Edition), as a guide when a question arises concerning procedure.

**Broadcasting and Recording Board Meetings**

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to
electrical power, should be directed to the Director at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board Chairperson may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Meeting Minutes Protocol

1. Meeting minutes are the permanent record of the proceedings during a Board of Control meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.

2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.

3. Minutes include a summary of the Board’s discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of members making specific points during discussion. Requests from individual Board members to include their vote or an opinion are handled according to Board policy 2:220, Board of Control Meeting Procedure.

4. The minutes include the topic of reports that are made to the Board including reports from the Director or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.

5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.

6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.

7. The minutes should be recorded in an objective but positive/constructive tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.

8. The minutes include individuals’ names who speak during the meeting’s public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.

9. The following template generally governs meeting minutes.

Logging and Review Process

Step 1. The Board Secretary or Recording Secretary maintains a log of the closed meeting minutes that are unavailable for public inspection. The meeting minutes are logged according to the reason the Board held the closed meeting. 2:220-E6, Log of Closed Meeting Minutes.

Step 2. The Board meets in closed session to review the log of unreleased closed meeting minutes. The Board or Recording Secretary brings a copy of all unreleased closed meeting minutes and, if requested, allows Board members to review the actual minutes. The Board identifies which closed meeting minutes or portions thereof no longer need confidential treatment. Use Report Following the Board’s Semi-Annual Review of Closed Meeting Minutes, below.

Step 3. At least semi-annually in an open meeting, the Board takes action to release for public inspection those minutes, or portions thereof, no longer needing confidential treatment. Use Action to Accept, below. Closed meeting minutes will not be released for public inspection if confidential treatment is needed to protect the public interest or the privacy of an individual, including: (1) student disciplinary cases or other matters relating to an individual student, and (2) personnel files and employees’ and Board members’ personal information.

Step 4. The Board or Recording Secretary: (1) updates the log of unreleased closed meeting minutes to remove any minutes that the Board made available for public inspection; (2) makes a notation on any applicable closed meeting minutes of the Board’s action to release it or a portion of it for public inspection; (3) continues to log new closed meeting minutes that the Board has not released for public inspection (2:220-E6, Log of Closed Meeting Minutes), and (4) maintains logs for access to closed session minutes pursuant to 5 ILCS 120/2.06(e), amended by P.A. 99-515.

Report Following the Board’s Semi-Annual Review of Closed Meeting Minutes

The Board of Control met on _________________ in closed session to conduct its semi-annual review of closed meeting minutes that have not been released for public inspection.

Open Meetings Act

The Open Meetings Act (OMA) requires public bodies to "keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording." 5 ILCS 120/2.06(a). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of Section 2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of Section 2.06, as well as OMA requirements pertaining to Board agendas, are included in policy 2:220, Board of Control Meeting Procedure.

Exhibit 2:220-E3, Closed Meeting Minutes, provides a sample template for keeping closed meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to Section 2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, Open Meeting Minutes, contains an open meeting minute's protocol that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, Semi-Annual Review of Closed Meeting Minutes, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, Log of Closed Meeting Minutes, is designed to facilitate this semi-annual review.

Local Records Act

The Local Records Act (LRA) provides that public records, including "any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connection with the transaction of public business and preserved or appropriate for preservation by such agency or officer" must be preserved unless the State Local Records Commission has given permission to destroy those records. 50 ILCS 205/3 and 7. Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Policy 2:250, Access to Association Public Records, contains a subhead entitled Preserving Public Records which provides as follows:

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the Association's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), Association
auditor, or other individual authorized by the Board of Control or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:200, Board of Control Meeting Procedure, for all relevant footnotes. Also see administrative procedure 2:250-AP2, Protocols for Record Preservation and Development of Retention Schedules, for recommendations regarding Association records retention protocols and links to web-based record management resources.

Documentation of OMA Requirements for Board Members to Participate in a Meeting with No Physical Presence of Quorum

☐ The Governor or the Director of the Ill. Dept. of Public Health has issued a disaster declaration related to a public health emergency because of a disaster as defined in 20 ILCS 3305/4, and all or part of the jurisdiction of the Board is covered by the disaster area. 5 ILCS 120/7(e)(1), amended by P.A. 101-640. Note: OMA uses “public health concerns,” but the Ill. Emergency Management Act (IEMA) uses “public health emergency;” this exhibit matches the IEMA term because it governs disaster declarations.

Insert Disaster Declaration or Executive Order number [_______] or attach to this document.

☐ The Chairperson or, if the office is vacant or the Chairperson is absent or unable to perform the office's duties, the Vice Chairperson, or if neither the Chairperson nor Vice Chairperson are present or able to perform this determination, the Director (5 ILCS 120/7(e)(2), amended by P.A. 101-640, and 140/2(e)) signs below that the following three Steps were executed by:

Step 1. Determining whether the meeting is a bona fide emergency (5 ILCS 120/7(e)(7), amended by P.A. 101-640) (check Yes or No, below):

☐ Yes; it is an emergency meeting, and:

A. Notified the Board members and the public, including any news medium which has filed an annual request for notice of meetings as soon as practicable, but in any event prior to the holding of such meeting pursuant to 5 ILCS 120/2.02(a) and 120/7(e)(7)(A), amended by P.A. 101-640;

B. Stated the nature of the emergency at the beginning of the meeting; and

C. Provided the Director or Board Secretary the resources necessary during the meeting to keep a verbatim record of the meeting, for both open and closed, and managed it the same way that the Board complies with the verbatim recording requirements for closed meetings (see exhibit 2:220-E1, Board Treatment of Closed Meeting Verbatim Recordings and Minutes). Note: In this situation, a verbatim recording is not limited to closed meetings only.

D. Move to Step 2, below.

☐ No; it is a regular or special meeting, and:

A. Ensured that the Board provided 48 hours' notice of the meeting to all Board members, to any news medium on file in the District that have requested notice of meetings pursuant to 5 ILCS 120/2.02(a), and to members of the public by posting it on the District’s website. 5 ILCS 120/7(e)(7), amended by P.A. 101-640. Note: 5 ILCS 120/7(e), amended by P.A. 101-640 does not have the “if any” exception for school boards that do not have websites. Consult the board attorney regarding alternate ways to communicate notice of a meeting when the district
does not have a website and a Disaster Declaration or Executive Order has been issued.

**Insert meeting date and time, and a link to the meeting notice or attach a copy of the notice to this document.**

B. Moves to Step 2, below.

**Step 2.** Determining whether it is practical, prudent, or feasible for any in-person attendance at the regular meeting location (5 ILCS 120/7(e)(2), amended by P.A. 101-640). *(check Yes or No, below):*

☐ Yes; in-person attendance is practical, prudent, or feasible, and I:

A. Ensured that at least one Board member, the Board Attorney, or the Director was physically present at the regular meeting location (5 ILCS 120/7(e)(5), amended by P.A. 101-640), and

B. Verified that members of the public who were present could hear all discussion and testimony and all votes of the members of the Board. 5 ILCS 120/7(e)(4), amended by P.A. 101-640.

C. Move to Step 3, below.

☐ No; in-person attendance is not practical, prudent, or feasible, and I:

A. Made a written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting. 5 ILCS 120/7(e)(1) and (2), amended by P.A. 101-640.

B. Included the written determination made in letter A., above, on the Board’s published notice and agenda for the alternative arrangements for the meeting. 5 ILCS 120/7(e)(7)(A)-(B), amended by P.A. 101-640.

C. Offered the alternative arrangements to the public by offering a telephone number or a web-based link. 5 ILCS 120/7(e)(4), amended by P.A. 101-640.

**Insert a link to the meeting notice or attach a copy of the notice or refer to above if already attached to this document (see above).**

Include this written determination on the Board/committee’s published notice and agenda for the audio or video meeting, and in the meeting minutes.

D. Move to Step 3, below.

**Step 3.** During the meeting, I:

☐ Directed the Recording Secretary to, in addition to the requirements for open meetings under OMA, also keep verbatim record of the open meeting by recording it and making it open and available to the public under all provisions of OMA. 5 ILCS 120/7(e)(9), amended by P.A. 101-640. *Sample text follows below in the subhead below Report to the Public Following the Board's Meeting with No Physical Presence of Quorum.*

☐ Read my written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting and directed the Recording Secretary to include it in the meeting minutes.

☐ Ensured that any interested member of the public has access to contemporaneously hear all discussion, testimony, and roll call votes. 5 ILCS 120/7(e)(4), amended by P.A. 101-640.

☐ Requested the Recording Secretary to enter into the appropriate minutes of the Board that each Board member participating in the meeting, wherever their physical locations, announced:
1. Themselves present (5 ILCS 120/7(e)(3), amended by P.A. 101-640), and
2. A verification that they could hear one another and all discussion and testimony. Id.

See 2:220-E3, Closed Meeting Minutes and/or 2:220-E4, Open Meeting Minutes.

Attach to this document copies or information about where these minutes may be found.

☐ Announced and considered each Board member participating in the meeting present at the
meeting for purposes of determining a quorum and participating in all proceedings (5 ILCS 120/7(e)
(8), amended by P.A. 101-640) and directed the Recording Secretary to reflect it in the minutes (best
practice for transparency).

☐ Conducted all votes by roll call, so each Board member’s vote on each issue could be identified
and recorded (5 ILCS 120/7(e)(6), amended by P.A. 101-640), and ensured that the Recording
Secretary entered all votes as Roll Call Votes (Use exhibit 2:220-E4, Open Meeting Minutes but
ensure all votes are recorded as roll call votes pursuant to the example below):

☐ Executed or directed execution of the subhead below Report to the Public Following the
Board’s Meeting with No Physical Presence of Quorum.

Report to the Public Following the Board’s Meeting with No Physical Presence of Quorum

The text below may be used for the actual report.

The Board of Control met on [insert date] with no physical presence of quorum to conduct its business.

The verbatim [circle one] audio | video recording of this meeting is available to the public under all
provisions of OMA and will be destroyed pursuant to 5 ILCS 120/2.06(c)(no less than 18 months after
the completion of the meeting recorded but only after: (1) the Board approves the destruction of the
particular recording; and (2) the Board approves minutes of the meeting that meet the written minutes
requirements of OMA), 5 ILCS 120/7(e)(9), amended by P.A. 101-640.

Insert links to the verbatim recording of meeting here or attach to this document.

Note: Consult the board attorney for guidance on the destruction of a verbatim recording of an open
meeting without the physical presence of a quorum. While 5 ILCS 120/2.06(c) refers to the process for
destroying closed session verbatim recordings, 5 ILCS 120/7(e)(9), amended by P.A. 101-640,
applies that process for destroying closed session verbatim recordings to the destruction of the
verbatim open session recordings that are required when a board determines it is necessary for it to
meet without the physical presence of a quorum due to a public health emergency.

DATED : October 9, 2020
2:230 Public Participation at Board of Control Meetings and Petitions to the Board

For an overall minimum of 30 minutes during each regular and special open meeting, any person may comment to or ask questions of the Board of Control (public participation), subject to the reasonable constraints established and recorded in this policy’s guidelines below. During public participation, there will be a 15-minute minimum total length of time for any one subject. When public participation takes less time than these minimums, it shall end.

To preserve sufficient time for the Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board Chairperson.
2. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to five minutes. In unusual circumstances, and when an individual has made a request to speak for a longer period of time, the person may be allowed to speak for more than five minutes.
3. Observe, when necessary and appropriate, the:
   a. Shortening of the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak;
   b. Expansion of the overall minimum of 30 minutes for public participation and/or the 15-minute minimum total length of time for any one subject; and/or
   c. Determination of procedural matters regarding public participation not otherwise covered in Board policy.
4. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, Visitors to and Conduct on School Property.

Petitions or written correspondence to the Board shall be presented to the Board in the next regular Board packet.

2:240 Board Policy Development

The Board of Control governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate Association ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward Association ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Director. Suggestions from all others should be made to the Board Chairperson or the Director.

A Board Policy Committee will consider all policy suggestions and provide information and recommendations to the Board.

The Director is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Director shall seek the counsel of the Board Attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board policies are available for public inspection on the Association's website. Copy requests should be made pursuant to Board policy 2:250, Access to Association Public Records.

Board Policy Review and Monitoring

The Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

Director Implementation

The Board will support any reasonable interpretation of Board policy made by the Director. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board policy, the Director is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

**DATED: March 8, 2019**

**Special Education Association of Peoria County**
Full access to the Association's public records is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Director or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the Association's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the Association's response.

Freedom of Information Officer

The Director shall serve as the Association's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Director may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Director of the responsibility for the action that was delegated.

Definition

The Association's public records are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the Association.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the Association's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Director or designee shall instruct Association employees to immediately forward any request for inspection and copying of a public record to the Association's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a commercial purpose, requests by a recurrent requester, or voluminous requests, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.
When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board’s review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a commercial purpose and fees, costs, and personnel hours in connection with responding to a voluminous request.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the Association’s actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the Association’s actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA’s maximum fees as the Association’s fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a voluminous request, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the Association’s administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the Association’s website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the Association’s website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the Association shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the Association’s organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), Association auditor, or other individual authorized by the Board of Control or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

2:260 Uniform Grievance Procedure

A student, parent/guardian, employee, or community member should notify any Association Complaint Manager if he or she believes that the Board of Control, its employees, or its agents have violated his or her rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy, or have a complaint regarding any one of the following:

1. Title II of the Americans with Disabilities Act, 42 U.S.C. §12101 et seq.
6. Sexual harassment prohibited by the State Officials and Employees Ethics Act, 5 ILCS 430/70-5(a); Illinois Human Rights Act, 775 ILCS 5/; and Title VII of the Civil Rights Act of 1964, 42 U.S.C. §2000e et seq. (Title IX sexual harassment complaints are addressed under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*).
7. Breastfeeding accommodations for students, 105 ILCS 5/10-20.60
8. Bullying, 105 ILCS 5/27-23.7
9. Misuse of funds received for services to improve educational opportunities for educationally disadvantaged or deprived children
10. Curriculum, instructional materials, and/or programs
13. Provision of services to homeless students
16. Employee Credit Privacy Act, 820 ILCS 70/

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

**Right to Pursue Other Remedies Not Impaired**

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the Association will continue with a simultaneous investigation under this policy.

**Deadlines**
All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, school business days means days on which the Association's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any Association Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, Prevention of and Response to Bullying, Intimidation, and Harassment, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, Workplace Harassment Prohibited, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parents/guardians that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law or this policy, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Director. The Complaint Manager may request an extension of time.

The Director will keep the Board informed of all complaints.

If a complaint contains allegations involving the Director or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Director shall mail his or her written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager. All decisions shall be based upon the preponderance of evidence standard.

Within 10 school business days after receiving the Director's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the
Board.

Within 30 school business days, the Board shall affirm, reverse, or amend the Director's decision or direct the Director to gather additional information. Within five school business days after the Board's decision, the Director shall inform the Complainant and the accused of the Board's action.

Special Education Association of Peoria County
2:265 Title IX Sexual Harassment Grievance Procedure

Sexual harassment affects a student’s ability to learn and an employee’s ability to work. Providing an educational and workplace environment free from sexual harassment is an important association goal. The association does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in the association’s education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a association employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual’s sex that satisfies one or more of the following:

1. A association employee conditions the provision of an aid, benefit, or service on an individual’s participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the association’s educational program or activity; or

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person’s alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

Definitions from 34 C.F.R. §106.30

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where the association has substantial control over both the Respondent and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the association investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Title IX Sexual Harassment Complaint or where no Formal Title IX Sexual Harassment Complaint has been filed.

Title IX Sexual Harassment Prevention and Response

The director or designee will ensure that the association prevents and responds to allegations of Title IX Sexual Harassment as follows:
1. Ensures that the association’s comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the association’s educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.

2. Incorporates education and training for school staff pursuant to policy 5:100, *Staff Development Program*, and as recommended by the director, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Dean of Students, or a Complaint Manager.

3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the association’s website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The director shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Processing and Reviewing a Report or Complaint

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the Complainant to: (1) discuss the availability of supportive measures, (2) consider the Complainant’s wishes with respect to supportive measures, (3) inform the Complainant of the availability of supportive measures with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the Complainant the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require...
further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the association’s duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

**Formal Title IX Sexual Harassment Complaint Grievance Process**

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The director or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with 34 C.F.R. §106.45. The association’s grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with 34 C.F.R. §106.45 before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person’s status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the association as a Title IX Coordinator, investigator, decision-maker, or any person designated by the association to facilitate an informal resolution process:
   a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
   b. Receive training on the definition of sexual harassment, the scope of the association’s *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the association as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the association as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant’s* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the association may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

**Enforcement**
Any association employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the association, e.g., vendor, parent, invitee, etc. Any association student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the association or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The association prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, Uniform Grievance Procedure.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.
