INVITATION TO BID
INSTRUCTIONS TO BIDDERS

PART 1 - GENERAL

A.1 Summary of Work

1. The Project consists of the removal of asbestos floor tile and mastic in hallway and classroom areas using non-friable removal methods. The work will need to be conducted while students and staff are occupying the building in areas outside of the immediate work area. See Project Summary.

A.2 Type of Bid

A. Bids shall be on per area basis as defined on bid sheet

A.3 Time and Location of Opening of Bids

A. See - Invitation to Bid

A.4 Interpretations of Addenda

A. No oral interpretation will be made to any Bidder as to the meaning of the Bidding Documents or any part thereof.

B. Requests for interpretations shall be made in writing to the owner.

C. Inquiries received three (3) or more days prior to the date fixed for opening of bids will be given consideration.

D. Changes to the Bidding Documents will be in the form of an Addendum to the Bidding Documents, and when issued, will be on file in the office of the Owner at least one (1) day before Bids are opened.

E. Addenda will be transmitted to each bona fide bidding General Contractor holding Bidding Document, but it shall be the Bidder's responsibility to make inquiry as to the Addenda issued and provide distribution of Addenda to all Subcontractors and Suppliers.

F. Addenda shall become part of the Contract and all Bidders shall be bound by such Addenda, whether or not received by the Bidders.

A.5 Inspection of Site and Documents

A. Bidder shall visit the site of the proposed work and fully acquaint himself with the existing conditions there relating to construction and labor, and should fully inform himself as to the facilities involved, the difficulties and restrictions attending the performance of the Contract.
B. The Bidder shall thoroughly examine and familiarize himself with the Drawings, Technical Specifications and all other Bidding documents.

C. The Contractor by the execution of the Contract shall in no way be relieved of any obligation under it due to his failure to receive or examine any form or legal instrument or to visit the site and aquatint himself with the existing conditions, and the Owner will be justified in rejecting any claim based on facts regarding which Contractor should have noticed as a result thereof.

D. Site visits will be permitted with Owner Representative present only. Contractors shall arrange with the Owner.

E. See attached “Responsible Bidder Policy”, adopted by and enforced by the SEAPCO Board of Control. All bidders shall comply with the policy requirements.

A.6 Bids

A. Bids must be submitted on forms supplied by the Owner. All shall be properly signed and seal affixed. Bids must be regular in every respect and no interlineations, excisions or special conditions shall be made or included in the Bid Form by the Bidder except as stated above.

B. Corrections, erasures or other changes in the Bid Proposal Documents must be explained or noted over the signature of the Bidder.

A.7 Substitutions

A. Each Bidder represents that his Bid is based upon the materials and equipment described in the Bidding Documents. See Section – Procurement Substitution Procedures, for substitution procedures.

A.8 Award of Contract: Rejection of Bids

A. The Contract, if awarded, will be awarded to the responsible Bidder submitting the lowest and best "Base Bid" for the Work; plus any acceptable Alternates, complying with the conditions of the Bidding Documents, within the Owner’s budget. The order of the Alternate does not necessarily imply the order in which the Alternate may be accepted. Considerations other than cost alone may be used in making the determination of the successful Contractor.

B. The Contract shall be deemed to have been awarded when notice of an award shall be given to the bidder by the Owner.

C. The Owner reserves the right to reject any and all Bids and to waive any informality in bids received whenever such rejection to waiver is in its interest.

A.9 Use and Clarification of Drawings and Specifications

INSTRUCTIONS TO BIDDERS
A. All Drawings and Specifications for the work are the property of the Owner and are intended solely for use in the work contemplated in such Drawings and Specifications.

B. If there are any discrepancies in, or omissions from, the Drawings or Specifications, or if the Bidder is in doubt as to the true meaning of any part of the Bidding Documents, he shall request clarification from the Architect. Such request must be in writing and shall be made not less than three (3) working days prior to the time scheduled for termination of Bidding. Interpretations in response to inquiries from any Bidder, or any clarifications or corrections issued, will be mailed to each Bidder. If the Bidder fails to request clarification regarding methods of performing work or the material required, his proposal shall be deemed to include the method requiring the greater quantity of work or material or upon the material of greatest cost indicated.

A.10 Pre-Construction Conference

A. A "Pre-Construction" Conference will be scheduled shortly after the issuance of the "Notice to Proceed", to establish lines of communication, review schedules, and establish guidelines for execution of the work. This meeting is to be attended by the Contractor and any Subcontractors and the Owner.

A.11 Bidder's Responsibility for Condition of Work

A. The Bidder shall, before submitting his Proposal, be held to have examined the premises, so as to compare them with the Drawings and Specifications and to have satisfied himself as to the existing conditions of the premises and limitations under which the work will have to be expected. No allowance shall be subsequently be made on behalf of the Bidder by reason of any error or neglect on his part for having failed to follow the instructions here given.

B. The Bidder shall be held to have carefully read the Instructions to Bidders, the General Conditions, the Specifications for his work and other branches of the work to the end that he may be fully informed not only as to the work he is to perform, but also know about the work that will be required to be done by all Subcontractors.

A.12 TIME OF COMPLETION

A. Bidders shall begin and complete the work between May 26th and June 15th, 2022 due to summer school unless scheduling is otherwise mutually agreed upon between the owner and contractor.

A.13 Sales Tax

A. The project is exempt from Sales Tax.

A.14 Bidder's Qualifications
